Evangelistic Message

ARE YOU A GOOD FISH THAT WILL BE TAKEN HOME?

Matthew 13.47-51, *" Once again, the kingdom of heaven is like a net that was let down into the lake and caught all kinds of fish. When it was full, the fishermen pulled it up on the shore. Then they sat down and collected the good fish in baskets, but threw the bad away. This is how it will be at the end of the age. The angels will come and separate the wicked from the righteous and throw them into the blazing furnace, where there will be weeping and gnashing of teeth. Have you understood all these things? Jesus asked. Yes, they replied."*

This parable was given by Jesus of Nazareth to teach a number of biblical truths and to encourage all those who want to be saved to seek the right path. These parables open your mind and your spirit so that you may understand spiritual things. If you ask someone: "are you saved?" the person might answer, "I go to church, or I pray, or I believe, or I've been baptized." There are many possible answers.

The parable we just read is a very short one and the Holy Spirit does not want us to miss its interpretation.

What will happen at the end of time? What will happen to churches, to sects, to denominations, to believers, to unbelievers? Jesus does not want anyone to hope in vain. He does not want you to spend your time hoping, only to find yourself out of the race on the last day and cast into the lake of fire. This parable is easy to understand. There are lakes and fishermen everywhere. Each fishermen has his own distinct fishing culture. The kingdom of God is like a man or several people who cast a net into the sea. What has been noticed is that when it is cast, the net gathers all kinds of fish. If the parable ended there, there would be no problem but it continues. When the net is full of fish, the fishermen do not rush. They sit down comfortably and sort them. There are certain creatures in the sea, in lakes. Sometimes they are like millipedes. There are toads, worms and unidentified creatures, leaving us to wonder if they are fish or water spirits.

If you are in the net, are you a good fish or a bad one? Will fishermen keep you when they sit down and sort their catch? Will you be a good fish for them to take home to eat or sell?"

The issue is not whether you are in the net or not. Whether you belong to the Pentecostal church, to the Baptist church, to the Assemblies of God, to the Harris Church or to CMFI. The question is: are you a good fish that will be carried back

home? Are you a lying spirit? You lie, you lie, you lie and lie but you are in the net. You will be removed and thrown in the sand. You lie; the fishermen will remove you and cast you in the sand. When the fishermen draw the net, they sit down to sort the fish. They discard the pieces of wood, toads, and unidentified creatures, leaving them to dry on the seashore, completely useless and covered with flies.

My friend, God sent you here this evening to tell you that you are not a good fish. You go to church, but you are wicked. You cannot be taken home. You will be thrown in the sand. You are a sorcerer, and you will be thrown away.

> **1 Corinthians 6:9**, *"Or do you not know that wrongdoers will not inherit the kingdom of God? Do not be deceived: neither the sexually immoral nor idolaters nor adulterers... "*

Do not be deceived. Don't you know that men who are unjust, who steal who lie who bribe will not enter the kingdom of God?

It is neither a matter of religion nor doctrine. Do you lie? If you do, you will go into the lake of fire. It is not a matter of theology. You can read all Bible dictionaries and encyclopaedia but live in theft and adultery. You who love arguing, it is not a matter of argument. Someone once came to me and told me: "I am here to argue with you about the Word of God." I told him: "sorry, get out. You don't argue about the word of God."

Jesus says: what are you arguing about? Are you fish that can be taken home? Jesus says that at the end of the world, what these fishermen do is what will happen. This is why he says: "don't be deceived. Neither the thieves, nor the robbers, nor the adulterers, nor the alcoholics nor koutoukou (a traditional adulterated drink) distillers will enter heaven." You who put tobacco into your cheeks and acts as if it were some sweets, you will not enter heaven. There will be no corruption on that day. The job will be entrusted to the angels of God.

Let no one deceive you in your neighbourhood. Let no lazy person who did not bother to read the whole bible deceive you. Men will be judged, including you. If you are wicked, you will be thrown into the lake of fire. If you harden your heart, this is what the lord Jesus says: "people who provoke discords and quarrels will not go to heaven!"

One day, as I was meditating on that bible passage, the Lord opened my spirit and made me understand that "gnashing of teeth" is the highest expression of suffering. When someone hits you, you scream. But if a hot iron were pressed against your skin, you would be unable to scream; you would groan instead. Your soul will express the pain and suffering. After that, the pain will spread throughout your entire body. If

you don't change, you will weep and gnash your teeth every day. Jesus wants you to change. Here is what he tells those who have obeyed.

> **1 Corinthians 6:11**, *"And that is what some of you were. But you were washed, you were sanctified, you were justified in the name of the Lord Jesus Christ and by the Spirit of our God."*

There are men and women in this crowd who were once wicked – just like those who were singing a while ago. They used to fight and insult people. I, too, was like them and acted just as they did. But when we accepted Jesus, we decided to change. What happened? We were washed, sanctified, and justified in the name of the Lord Jesus. Washed, sanctified, justified and it will happen to you this evening. If you answer Jesus' call, your name will be written today in the lamb's book of life.

Jesus says: *"Beware my friend! The kingdom of God is like the net cast in the sea. When the net gathers many fish of all kinds, it gets full."* But these fishermen are smart. They pull in the net and pour out all its content on the shore. They start by picking the good fish. The fish have their names and distinct flavors. The fishermen know them. A bad fish cannot hide.

Do you want to change your life? Do you want to be washed, justified? Do you want to be sanctified by the blood of Jesus?

When Jesus washes you, no stain can be seen. When Jesus pours his blood on you, even if you were black, you become white. The blood of Jesus removes the crusts of curse, impurity and you become normal.

A young man shared a testimony here. I tell you the truth. I was the one leading the meeting that day. He was rejoicing that a stone had come out of his head. He had never seen such a thing. A demonic stone had been put inside his head. Jesus did not even move. He was seated on his throne. He just ordered the stone to be removed from his head. Jesus will give orders; you will be kept, justified and sanctified. You will shine. On that day, when Jesus comes back, you will be with him for eternity.

The word of God declares, "I will give you shepherds after my own heart. I will give you shepherds, people who know God and God's work. They will take care of you." while you look for religions, God gives you shepherds. Therefore, be vigilant to know what you need. You need Jesus! You need Jesus! You are sick it is true, Jesus will purify you. He will wash you. Even if you are a leper, He will remove the yoke of leprosy. You shall live. You will be a worthy man who stands before other men. Jesus will wash you. Jesus will turn you into a good fish. He will change your heart! He will

change your life! Jesus will do it! He will wash your name! That name cursed by many. He will wash your name! He will restore you into your dignity! He has not changed! He has not changed!

Let no one deceive you! Sinners won't lack in hell! Land grabbers who seize people's land plots by force will not enter heaven. People work for you and you don't pay them; you won't go to heaven.

But if there is anyone who wants to escape this punishment, who wants Jesus to wash him clean, to purify him now—he has looked at his life and says to himself, "Where will I go with all this filth?" What will it give me? "Since you've been stealing, what have you gained? You are afraid that people will discover that you steal. Adam told God: "When I heard your voice, I was afraid and I hid." When someone sins, they are afraid and hide.

> **Hosea 13:9**, "You are destroyed, O Israel, because you are against me, against your helper."

God tells you, "Maybe you are sick or jobless, or maybe in the bonds of celibacy. This is not the true problem because I want to deliver you. You will perish because you don't love me."

"You are destroyed, Israël, because you are against me, against your helper."

You are waiting for prayer, but you don't love the person who answers prayers. You are waiting for prayer! This is your true misery. You are against the one who wants to rescue you! If you say inwardly: "hurry up so we can pray! "And when God calls you, you don't move, you have already lost. But you can correct it. It is the reason why we insist. As soon as your heart is corrected, you stand up and you come. What causes your ruin is that you are against your Helper. You like deliverance but you don't like the person who operates it.

Warfare Prayers

JESUS DELIVERS HIS PEOPLE FROM THE HANDS OF THOSE WHO HAVE BEWITCHED THEM

> **Ezekiel 13:18-21**, *"and say, 'This is what the Sovereign Lord says: Woe to the women who sew magic charms on all their wrists and make veils of various lengths for their heads in order to ensnare people. Will you ensnare the lives of my people but preserve your own? You have profaned me among my people for a few handfuls of barley and*

scraps of bread. By lying to my people, who listen to lies, you have killed those who should not have died and have spared those who should not live. Therefore, this is what the Sovereign Lord says: I am against your magic charms with which you ensnare people like birds and I will tear them from your arms; I will set free the people that you ensnare like birds. I will tear off your veils and save my people from your hands, and they will no longer fall prey to your power. Then you will know that I am the Lord."

This passage we just read is one of the rare passages that teach how people are bewitched. God does not allow anyone to be bewitched. When you bewitch a person, you destroy their ability to think. A student can bewitch his classmate and start to understand math better than he does. That student used to be the last while you were the first; he starts becoming first and you become last. Your plantation can be bewitched.

In the text we read, diviners made amulets for people to wear on their wrists. When you go to a witch doctor, he gives you an amulet claiming it is a protective charm, but it is actually meant to bewitch you. And the Lord says that when people were bewitched, their souls could be easily manipulated. And when the soul was manipulated, they started flying like birds in the air without knowing where they were heading to. If you ask them: "Are you sorcerers? " They would say: "no, we are not", but in their sleep, they become small birds. What makes it possible? It is the amulets, the magic charms. God says that these charms are meant to ensnare His people. Anyone experiencing such things is truly caught off guard. No one tells you that you are going to fly like a bird. You only know that you went to the witch doctor to obtain a protective charm, but you start eating meat in your dreams. You have no idea where it came from. In your dreams you eat against your will. Spirit husbands originate from bewitchments. In the bewitchment process, they marry you to a demon. They can tell you to make an amulet, to keep small statues in your home and the consequences are spirit husbands. This is called bewitchment. A person can be bewitched through their photograph, clothing, or any personal belongings.

Jesus said that if you tell this mountain: Go, throw yourself into the sea, it will be done.

Say:

- I tear the veil put on my head that has made me lose visions for one week, two years, etc.

The veil will be torn; you will have clear visions and be restored. If you are an evangelist

whose feet have been bewitched in such a way that you no longer go out, you just take a short walk and say, "Jesus saves" then, go back to sleep, you will be delivered. You will have light feet like those of a deer. If you were bewitched and something was placed in your mouth and stuck to your tongue, it will be pulled out. You will spit it out like saliva into the sand. Your tongue will start working and being active and your words will ring out like the sound of a trumpet. You will be delivered.

Say:

- I proclaim that I am a child of God, that it was to us Jesus said: "As the Father has sent me, I am sending you! " I proclaim that I am part of those Jesus has sent to do the work the father had given him. I am a child of God sent to execute God's judgments!

"I will tear off your veils and save my people from your hands, and they will no longer fall prey to your power. Then you will know that I am the Lord."

- This is God's judgment. This is what we have to carry out. Our Father said that He will snatch everything. We also snatch everything! Let's set the captives free!
- We judge all bewitchments that have hindered the prophetic dreams, that have blocked the prophetic visions. We deliver the souls.
- Our Father sends us to deliver bewitched souls! Let he who does not speak, Let the evangelists proclaim the gospel! Let deliverance be total! (continue to pray, pray fervently.)
- In the name of Jesus, we destroy all bewitchments using sand from the cemetery. We shatter all bewitchments using snake fangs. We destroy everything! We release the captives! We break all bewitchments using snakeskin!

Say:

- We break any bewitchment through photographs. We break any bewitchment through someone's handwriting. We break any bewitchment using stolen clothes!
- We break any bewitchment using stolen underwears. In the name of Jesus Christ! We break any bewitchment using someone's hair.
- We break any bewitchment using menstrual blood that have been stolen! We break, we shatter that bewitchment, we cast out the demons behind that bewitchment. We cast out the spirit of the dead behind that bewitchment. We

cast out all the water spirits behind that bewitchment. We cast out the spirit of the dead behind that bewitchment as well as death itself.

- In the name of Jesus, we cast out all forest spirits behind that bewitchment. We sow confusion, total confusion! (Continue to pray.)
- In the name of Jesus, we proclaim our victory and that of our families!
- In the name of Jesus, we intercede that the lord will forgive all practices in our families that led him to curse us. O Father, act and release us from any captivity! (Continue to pray.)
- We release the captives! Captives, you are set free! Captives, get out of prisons! Jesus sets the captives free! (Continue to pray, let all demons behind bewitchments go away!)

Wicked spirits, we judge you, we cast you out! Spirit husbands, we judge you, we cast you out! Spirits of the dead, go away! We judge you! We cast you out! Death itself, go away, you must not touch anyone here or at home, in the name of Jesus! (Let's pray in tongues.)

A certain man was blessed. He had a friend who was poor. From time to time, he would give that friend some money to help him out. One day, the friend told him: "Come with me to see my witch doctor." He reply: "I have nothing to do with witch doctors." His friend retorted: "No, just accompany me." Once there, his friend told him: "the witch doctor wants to see you." He went in and came out. Afterwards, he was the one who became now miserable and his friend started helping him financially. He even showed me his construction site. The construction works were put on hold.

You are going to pray for yourself. If someone has exchanged your blessing for his curse. It is possible. It is what is depicted in Ezekiel. The soul of a dying person can be swapped with someone else's. The other person dies while the sick recovers. Young girls might experience this in a different way. You introduce your fiancé to your friend and she bewitches him. Then he tells you: "I no longer want to marry you; I love your friend."

Destroy any bewitchment that made it possible for your blessings to be stolen. Everything used, whether a dog, a cat, a chicken, even if a human being has been offered as a sacrifice, this bewitchment must be destroyed.

When praying, think of others, don't focus only on yourself. Don't say: "I have no problem."

Say:

- In the name of Jesus, with one accord, we destroy any occult practice that made the theft of my blessing possible! We destroy any occult practice that has bound me to a spirit husband! We destroy any spiritual practice that has diminishes my faculties! We destroy any occult practice that has stolen my spiritual gifts! (continue to pray.)
- We bring down the heights! We demolish the heights! We tear down the strongholds! We break the spiritual prisons! We break down the huts! We cut down the trees and burn them! We send fire to sacred forests! We dry water streams!
- In the name of Jesus, we judge all diseases that come from bewitchments! In the name of Jesus, we judge all diseases that come from witchcraft! In the name of Jesus, we destroy all diseases coming from a spell cast at someone! We judge all the curses coming from a human mouth! We banish that curse! We proclaim that there will be nothing! We cancel everything! (Continue to pray.)

In the name of Jesus, with one accord, we free the womb of every barren woman! We open the wombs! We open the fallopian tubes! We heal the uterus! We rip off myomas and fibroids!

Put your hand where you feel the pain and say:

- In the name of Jesus, we cast out any disease that come from witchcraft! In the name of Jesus, we cast out any disease that come from a body malfunction! Sickness, go away! Fibroid, go away! Myomas, go away! Depart! If you know that you are called fibroid, disappear! If it is an ovarian cyst, we snatch it out and throw it in the void! We heal the ovaries!
- We heal the kidneys! We heal the left kidney! We heal the right kidney! We heal the liver! We cast out all the liver diseases!
- We judge cancer! Cancer, go away! Cancer, go away! Leave that body, in the name of Jesus!
- Diabetes, go away!
- Urinary incontinence, disappear!
- HIV AIDS, go away! Sinusitis, go away! Chronic headaches, go away! Depart! (Pray in tongues.)
- Even if everything has been taken from you, and you are left with nothing at all, we snatch back all that which they have stolen from you!

If a person is sick because someone drinks their blood when they sleep, and the person does not know the origin of their pain. We cut that act into pieces Sorcerers may let you alive; you don't die but they come to drink your blood.

Say :

- I banish that act! I free my soul!
- In the name of Jesus, I break the ties that give them access to my soul. I break that ties! I destroy the tie that enables the sorcerers to touch my soul! In the name of Jesus, we break all those evil ties that enable sorcerers to touch us!

We come to the help of those who are weak! O you who are weak, we deliver you! We bless you! O dear brother, we come to your rescue, we scatter your adversaries! Let them fall and bite the dust! Become strong, let the enemy touch you no more neither by night nor by day!

- You who are praying, say:

I agree with my brethren! I cast out my enemies! Depart! Leave my life!

Keep calm

- Evil spirit, go away! Evil spirit, get out and go away, in the name of Jesus!
- If a spirit has been sent in someone's life only to destroy all that which he wants to do, any spirit that is against any person and any project, you are exposed! We strike you and we cast you out! We cancel all your works and we bless the person's undertakings. We proclaim that what you don't want to see will indeed be accomplished! You shall see that which you don't want to see!
- Spirit of the dead, if you have been sent to create blockages, to disunite, to sow discord, you are overcome! We cast you out this afternoon! Go away and don't touch what belongs to us anymore. Spirit of the dead, you who destroys, who knows nothing else than to destroy, we put an end to your work! Go away, in the name of Jesus! We restore all that which you have spoiled!
- In the name of Jesus, if there is someone who unknowingly lives in their house with spirits; he notices that food cannot last, that money disappears, the people of the house fall regularly sick, the lord delivers you and puts order in your home! Demons get out of that house! If you are a demon living in such a house, get out! Get out in the name of Jesus!
- If there is among the guests a spirit hiding in the life of someone, go away! Get out and go!
- If you have an uncontrollable behaviour, you laugh without ceasing, like a

demon, or you eat a lot; it is a demon. If you talk uncontrollably, if you are scared for nothing; it is a demon, you are going to command it to go; it must not go back home with you today!

Say :

- Evil spirit, go away! I am going to live a normal life in the fullness of the Holy Spirit. Go away!
- Spirit of fear, get out and go! Spirit of gluttony, get out and go! Spirit of fight, get out and go! Spirit of quarrel, get out and go! Spirit of theft, get out and go! Spirit of covetousness, get out and go! Spirit of theft, get out and go!
- If you are a coward - in an exaggerated way - it is a demon. Demon, get out and go!
- If you masturbate, you feel that you are possessed, it is time for your deliverance! Demon of masturbation, get out and go!

If someone told you that you are their heir. If your father, your mother, your aunt, your grandfather or anyone else told you: "you are my heir."

Say :

- In the name of Jesus, I separate myself from all the spiritual gifts related to that post; all the objects, all the gifts, I separate myself from all those objects!

Luke 22:31, "Simon, Simon, Satan has asked to sift all of you like wheat."

You are going to reject all claim from satan about yourself. Jesus himself was there and the devil came. He said: "I want to sift these ones. Give them to me." He had grounds for that because Peter's faith was not yet steady. It is with the Holy Spirit that Peter became strong and Jesus prayed for him so that he would not backslide. I want to say that reclamations do exist. The devil may say: "This one has insulted someone. Let me touch him a bit." Claims exist indeed but we must not remain passive.

You can say :

- In the name of Jesus, I renounce and break every claim the enemy tries to hold over me. Get away from me, Satan, for I do not belong to you!

On that day, Peter was filled with the Holy Spirit. But Jesus prayed for him.

Say :

- Whether weak or strong, I belong to Jesus. I banish all claims over my life. I belong to am Jesus. I love Jesus, I am his.
