Evangelistic Message

IF YOU RECEIVE JESUS, YOU WILL HAVE THE POWER TO BECOME A CHILD OF GOD

John 1:1-13: *"In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things were made through Him, and without Him nothing was made that has been made. In Him was life, and the life was the light of men. The light shines in the darkness, and the darkness did not overcome it. There came a man sent from God, whose name was John. He came as a witness, to bear witness to the Light, so that all might believe through him. He was not the Light but was sent to bear witness to the Light. The true Light, who gives light to everyone, was coming into the world. He was in the world, and the world was made through Him, yet the world did not know Him. He came to His own, and His own did not receive Him. But to all who received Him, to those who believe in His name, He gave the right to become children of God— children born, not of blood, nor of the will of the flesh, nor of the will of man, but of God."*

The Words we have just heard are intended to show you how to become a child of God. Perhaps you are a guest. Perhaps you hear some people say they are children of God, Perhaps, you are irritated by this statement. You wonder, "How can human beings like me call themselves children of God?" If you pay close attention tonight, you too will become a child of God, in spirit and in truth.

Be attentive. This passage is going to introduce you to someone: Jesus. From the foundation of the universe, from the beginning, Jesus is God. He was God, and He has been with God from the beginning. The Word was present from the beginning. Jesus was present. He was beside the Father. He was with the Father, and through Him the Father created everything. Everything you see is the work of the Lord Jesus, working with His Father. This word brings great deliverance. The devil has created nothing. He will never be able to create anything, right up to the eternal flames. Everything you see is the work of the Lord Jesus. It is a mystery. When you look at me, you see my flesh, but the soul that speaks and acts is inside me. The spirit that oversees and fills the space is inside me. This is the trinity at the human level. There is a divine Trinity. This is why, when you tell a demon that you are speaking to it in the name of Jesus, it submits. If some demons cry out, "I will not go! I will not go!", it is simply because God wants us to learn that hell is real. Look at how the demon refuses to go there. This is therefore a serious matter. If you receive Jesus of Nazareth and allow Him to come into your life, you will have the power, the authority and the sovereign right to become a child of God. God will accept you and make you His child because of the blood of Jesus.

Dear friends, the Word of God makes it clear that the new birth in Christ is not a natural birth. It does not come from human blood or from human will. The birth of Jesus was the work of God. Many people think they believe, but they do not. I am going to prove this to you, because God defines the way demons believe. Believing is not merely knowing who God is. True spiritual belief involves faith and, most importantly, obedience. If you have

no faith, you cannot have true belief. If you are rebellious, you cannot claim to believe. If claiming were enough, many people would rejoice. The Word of God says, "Whoever receives Me, whoever believes." And you say, "I believe!"

This is how one must believe:

> **James 2:19-20:** *"You believe that there is one God. You do well. Even the demons believe—and tremble! But do you want to know, O foolish man, that faith without works is useless?"*

The Word of God even says that demons believe that God exists. There is a way of believing that resembles the way demons believe. How can you know whether you have faith? How can you know whether your way of believing is right? What could make you think that you believe according to the will of God?

Dear friends, faith without works is false; it is useless. Saying that you believe while fighting and punching people is not true belief. You believe like the demons. If you smoke cigarettes and defile your soul, you do not believe in God. The Bible says that man is the temple of the Holy Spirit. Whoever destroys the temple of the Holy Spirit will be destroyed. Yet you said, "I believe!" That is not how one believes. Dear man and dear woman, do you want to understand that faith which does not produce acts of righteousness is useless? A man who claims to believe yet wants to fight is a demon. Faith without goodness, justice or truth is useless. To become a child of God, you believe, you separate yourself from evil, and then you receive Jesus!

Consulting fetish priests while going to church is a game of hypocrisy. That way of believing resembles the faith of demons. The Bible says that such belief is identical to that of demons. Perhaps the demons believe more than you do. Sometimes even little children say, "Leave, demon, in the name of Jesus!" The demon knows that the child believes, and it leaves the child alone. This is why the Bible says that fighting, drinking alcoholic beverages, smoking and claiming to believe are demonic. To believe, one obeys God, as Abraham did. Abraham believed when God told him, "I want you to sacrifice your child." He obeyed. He did not argue; he demonstrated the faith of true believers. We know that God exists, we believe in Him, and we submit to Him. When He speaks, you say, "I understand, Lord."

Having a rebellious heart and claiming to believe is a huge lie. You claim to believe in God, but what do you do? How is that any different from what demons do? The Word of God says that faith must be sincere. When you want to believe, you must add obedience to your faith.

Abraham had his son. He had faith, and he offered his son. What have you done? You leave your home, come all the way here, and yet you do not want to give your life to Jesus—such a simple thing. You have already left home and come to sit here; you are shown how to receive Jesus, but you go back home without receiving Him. Yet everywhere you go, you say you are a Christian. The moment you have a problem, you cry and call on God, or else you blaspheme and say that He has abandoned you. Then, to take revenge, you get up and go to a witch doctor to show God that you are angry. If you do that and then die, you will go to hell. You do not have the true faith of a believer. You are not a believer!

Faith works through acts of righteousness and holiness. Faith works through truth. What you are doing is not faith. When the Bible says that Abraham believed, it was not by doing what you are doing. When you believe like Abraham, you believe and obey! That is true faith! You say that you believe. How do you demonstrate your belief? Where are your works?

> **Titus 1:16**: *"They profess to know God, but by their works they deny Him, being abominable, disobedient, and unfit for any good work."*

Some people proclaim that they know God, but the way they behave simply shows that they do not love God. They are incapable of doing anything good. Nevertheless, they say that they are believers. They have been baptized and confirmed. Some say that they are deacons. Others say that they are elders or that they sing in the choir. Another one will tell you that he attended seminary. Still another will say that he fasts every day. He has rosaries, incense, oils and salt everywhere. Some have honey, and some even have chilli pepper; that is their way of believing.

You say that you believe, but you deny God by your works! Tonight, you are going to believe! You are going to humiliate the devil! You will rise up, snatch back your possessions and leave nothing for the devil! You will come out with your riches and give your life to Jesus. Leave cigarette; let it rot where it is, for it is a bad thing. You have spent all your time serving the devil. Today is the day of conversion. It is the day you leave darkness and enter the light. The Bible says, "They profess to know God, but by their works they deny Him. Their works are abominable." They are unable to forgive. They persist in corruption and theft. They are unjust. They are evil, but they pretend to be good. And they say that they believe. The Bible says, "He who believes and is baptized will be saved."

How do you believe? You accept Jesus as your Lord. You ask Him to come into your life. You abandon the works and actions that defile you. You leave them behind. If you are a young girl, you go to school to come back with diplomas, not pregnancies. Is there anyone among you who wants to believe as God requires? If that is you, raise your hand.

JESUS HAS CANCELLED ALL THE CLAIMS OF SATAN AND THE WICKED AGAINST US!

> **Luke 22:31**, *"The Lord said, 'Simon, Simon, Satan has asked for all of you, that he may sift you like wheat."*

Those who listen carefully to the testimonies will realize that evil spirits lay claim to many things. We are told to weep with those who weep when death occurs, but when you do so, the spirit of the deceased follows you because of the bond of affection and love. The dead person asks you to go with him to the realm of the dead. Some people die without anyone really knowing the cause of their death.

Isaiah 52:3-5, *"For thus says the LORD: 'You were sold for nothing, and you shall be*

redeemed without money.' For thus says the Lord GOD: 'My people went down at first into Egypt to dwell there; then the Assyrian oppressed them without cause. Now therefore, what have I here,' says the LORD, 'seeing that My people are taken away for nothing? Those who rule over them make them wail,' says the LORD, 'and My name is continually blasphemed all day long."

Listen to how you became a slave of the devil. There was a need and you wanted to hide in order to meet that need, and the enemy took advantage of it to seize you. You were not looking for the devil. Perhaps you needed healing or a place of refuge, and the enemy took advantage of it. God's people went to Egypt because of the famine. They went to seek food so that the famine would not destroy them, and the Assyrian enslaved them without cause. Whoever has a need becomes a slave.

1 Corinthians 10:20, *"What they sacrifice, they sacrifice to demons and not to God; and I do not want you to have fellowship with demons."*

The apostle Paul understood this truth. He says, "When people say that they worship a tree, the tree itself is nothing. The reality is hidden from you: there are demons behind that tree." When someone tells you, "Take some bark from this tree and put it in your pocket, then leave an egg or throw down five francs," if you do it, you have already become the slave of a demon. You tell yourself, "The tree is nothing. I only want the bark. I am not practising witchcraft!" Paul tells you, "No! That bark brings you into contact with demons. If you use it, the demon behind that practice will follow you wherever you go." One day in Douala, a young man told me that whenever he walked, he felt like someone was following him, but every time he turned around, no one was there. He could not say where he had picked up that spirit, but he was no longer normal.

My people went to Egypt. The Assyrian saw them; he did not even buy them—he caught them like game in a trap. Was the Assyrian the one you had gone looking for? No! That is how the devil caught you. Do not keep saying that you are not a witch and that you do not consult witch doctors. You are ignorant and unable to fight! If you know it, as we already do, that is good. But if you remain ignorant, you walk around thinking that you are normal when you are not.

Some demons attack the person who wants to help you, and when that person sees you, they become afraid of you. If it is a sister whom a man wants to marry and the demon attacks him, he runs away when he sees her. In 1997, a woman in Toumodi told me that whenever a man approached her, the evil spirit following her would strike him in a dream. One day, she told me that she had spent the night with a European man. In bed, he kept startling in fear. She told me that because she knew it was that demon causing it, she said nothing. The European man kept saying, "This is impossible! This is impossible!" Afterwards, they set out for Abidjan. They nearly drove off the road several times. Such a sister cannot get married! I can also mention the case of a brother from the Abobo area. A spirit used to strike him, saying, "Leave my wife alone!"

Where did you pick up that demon? Perhaps simply by greeting a fetish priest. Someone told you, “Use these herbs for an enema,” and from that time on, spirit husbands entered your life.

Tonight, you must tell the enemy, “I owe you nothing.” Jesus is powerful. He knew that claims would be made. And the Bible says that He gave Himself on the cross so that He might make for Himself a people who belong to Him. You belong to Jesus. Jesus knew that if He did not pay the price, all these spirits would spend their time oppressing believers. Spirits say, “You are my daughter! You are my son!” Jesus has cancelled all these claims. Even if the claim comes from your biological mother, Jesus has cancelled it. Even if it comes from your biological father, Jesus has cancelled every claim he could make. According to His good pleasure, He adopted us through His blood. Let no demon say, “Your mother called me!” It is over. Some people are followed by demons because they danced at funerals. Your grandmother was washed at the water’s edge, and the demon says, “Because your grandmother was washed there, you belong to me.”

Jesus knew all this. That is why He shed His blood, so that no one could say that it costs 1,000 or 3,000 francs. The blood of Jesus cancels all claims. When one drop of the blood of Jesus falls on you, it is over. If one drop of the blood of Jesus falls on your cancer, it is burned up—it is over! During some spiritual battles, believers have said in the spirit or in a vision, “In the name of Jesus!”, but nothing happened. Yet when they cried, “The blood of Jesus!”, the demons left, because the blood of Jesus is the blood of justification, sanctification and purification. Jesus first saves you, then blesses you and gives you counsel. He does not say, “Since you went to Satan, stay there and die.”

Believe that you are a new man, a new woman. We use these weapons until Christ returns. Let no one deceive you by saying that these weapons are used only at Attiékoi. What do the wars in the world remind us of? Some wars have lasted one hundred years. When you strike the enemy at Attiékoi, strike him at San Pedro; that is spiritual warfare.

Say:

- In the name of Jesus, I proclaim that Jesus paid the price! Jesus of Nazareth, who died on the cross of Calvary, said, “It is finished.” He settled every problem! He sanctified everything!

He did not do this to pay satan by saying, “Take 100,000 francs and leave this child alone.” No! God says, “You were bought without money, and Jesus saves you without money.” Jesus is not repaying a debt. No one bought you. You went looking for help, and the enemy imprisoned you without paying anything; then Jesus came and gave His life. You will come out without paying anything. You will recover what was hidden and stolen without paying; you were the victim of spiritual theft—you were kidnapped. You will be set free at no cost. They paid nothing, and you have nothing to pay.

Say:

- I proclaim that Jesus shed His blood. I judge the theft committed against my spiritual life! In the name of Jesus, I declare that I owe nothing to the enemy, to Satan! In the name of Jesus, I declare that I was bought at no cost and that I am saved freely!
- Proclaim it until the chains are broken! Proclaim it until the pythons vomit you out! Proclaim it until the catfish vomit you out! Proclaim it until Hades vomits you out! Proclaim it until the heavens are brought down! Proclaim it until the heights are brought low! Proclaim it until the strongholds are broken! Proclaim it until every argument is cast down!

Say:

- In the name of Jesus, all you spirits of the dead, human spirits, cult spirits, spirits of traditional secret societies, voodoo spirits, spirits of violence, water spirits and mask spirits—you who followed me because of this false claim—I drive you out of my life! Leave!
- Jesus has already saved me! Nothing you claim will ever be given or surrendered to you! Jesus gave Himself for me to make me His child! I am His child! And I drive out every demon, every thief, every Assyrian, every Moabite, every Canaanite and all these wicked peoples! I overthrow you!
- I declare my total freedom! I declare my healing! I refuse to carry these diseases of slavery! I am free! I reject all these burdens! I refuse to carry the burdens of slavery! In the name of Jesus, you spirit of death that visits me, I refuse to go with you! I forbid you to return! I do not need you! Jesus is with me! Spirit of divination, even if I sought your services in the past, it is over! I no longer want your services! I have the Holy Spirit, who leads me, guides me, remains with me and is my strength! (Continue praying.)
- Wicked spirits, leave!
- In the name of Jesus, we recover everything that was stolen! Wicked spirit, go away—come out!
- Wicked spirit, I command you to leave! I command you to leave this place! Wicked spirit, I command you to leave this body and go away! Leave this man and go away! Leave this woman and go away! Leave her womb and go away! Leave her ovaries and go away! Leave her fallopian tubes! Wicked spirit, leave the male reproductive system! We set free every pregnancy that comes from God! We make the women fruitful! We make the men fruitful! Leave, in the name of Jesus of Nazareth!
- Spirit of death, go away! Come out of this body! Go to the Hades; Hades is for the dead! Spirit husband, you are struck—go away! You are not a husband; you are a demon! Go away! You are not a husband; you are a demon! Go away!
- Spirit of sickness, you who are there to cause disease, come out and go away, and let every disease be healed! Let headaches be judged and driven out! Stomach pains, you are judged and driven out! Hepatitis, judged and driven out! Diabetes, judged and driven out! Hypertension, judged and driven out! Leave!

And you, death, go away with all your accidents! Go away!

- If you are a woman or a man who mysteriously lost your wedding ring—you went to bed and do not know where your ring is—say:
- In the name of Jesus, I release my wedding ring, wherever it has been hidden!
- In the name of Jesus, if anyone has mysteriously lost their wedding ring, we strike the spirit that did it. We recover that person's ring and repair everything that was destroyed! (Remain calm.)
- We judge every human spirit and every spirit of the dead that wants to keep someone enslaved because of a favour granted in the past! If someone bewitched you because they paid for your schooling, we cut that tie! We break that tie!
- In the name of Jesus, we set free every person who was enslaved because of services they received! (Let us pray in tongues.)
- In the name of Jesus Christ, we judge every tie established in people's lives because witch doctors were consulted in order to have children! Let everyone who has been followed by demons and unclean spirits because their parents consulted diviners before their birth be set free. We judge these ties and break them!
- If anyone is followed by a spirit of the dead because they went to a cemetery and the spirits followed them, we break that bondage and destroy it!
- In the name of Jesus Christ, every person followed by spirits because they merely walked past a cemetery and a spirit saw them passing and followed them—go away and never return!
- In the name of Jesus, if a spirit followed someone because they were beside a sick person who released a spirit before dying, or because that person transferred witchcraft to them without their knowledge, we deliver everyone to whom witchcraft was transferred at the hospital or at home before the person died! If witchcraft entered anyone and disturbed their behaviour after being transferred to them, come out! Wicked spirit, go away!
- We come to the aid of everyone whom a sick person named as an heir before dying. Even if you said, "I did not want this," that person named you as a successor, released demons, and even their spirit remains with you because they want you to be their representative among human beings. In the spiritual realm you are already together, and the person wants you to speak and act on their behalf. We break this bondage and drive out the spirit of the dead person. Go away! You will have no representative! We take your inheritance and throw it into the fire! We drive you out, in the name of Jesus! Spirit of the dead, go away! You will have no successor among us—go away!
- In the name of Jesus, if a woman has had miscarriages and the spirits of the dead children have remained in her life like little demons—if every miscarriage left behind the spirit of a demon baby—you wicked spirit, we drive you out of this life! We drive out the spirit of a dead baby wherever it may be! We deliver the women! We deliver the children who are alive!

- In the name of Jesus, we deliver all those who are followed by the spirits of the men who circumcised them! If anyone was circumcised by a witch and claims are being made against them, we judge those claims! We separate you from the person who circumcised you! We proclaim that you are free!
- In the name of Jesus, if any sisters here or online were subjected to female genital mutilation, we drive out the spirits of the old women who cut them!
- And you who underwent female genital mutilation, we declare that you are free, sanctified and clean!

If you were worshipped and were the one who ate the yam before everyone else, and claims are being made against you because the demon says, "I saw you eat the yams," we drive you out! In the name of Jesus, I cancel every claim made against me because of acts of yam worship! I break every tie established over me each time I ate yams before the others! I proclaim that I do not want this service; I reject it! I love what comes from Jesus Christ, and the Word of God declares that every perfect gift comes from God! Everything good and excellent comes from the true God!

Raise your right hand and say:

- With one accord, we break every evil tie established in our lives, in the life of anyone in the crowd, or in the life of anyone online!
- We break the ties established in people's lives because of incest in the family—incest that brought the curse of singleness and the curse of barrenness! We break the ungodly ties caused by the incest that is continuing! We drive out every demon hiding behind incest! We drive out every demon that has defiled the lives of family members and defiled the whole family!
- We insist: we break every tie established in families because of incest! We drive out every demon behind incest! We drive incest out of families, and we drive out every disease and every blockage behind incest, and we deliver the families!
- Some families are bound by the sin of prostitution. Raise your hand and say:
- Wicked spirit of prostitution, go away! Wicked spirit of prostitution, come out and go away!
- If a demon is hiding in the life of a guest, we drive you out! If there is a spirit, we declare that these guests are free! Go away quickly!
- If I went somewhere and was given human flesh transformed into mutton, and I ate it believing it was mutton when it was actually human flesh, and my whole being was defiled, I cleanse my body, soul and spirit of that meat! Spirit that followed me because of that meat, go away and never return!
- In the name of Jesus, we insist: if anyone was bewitched by relatives or neighbours at a wedding or a funeral—if they transformed a human being into meat, served it, and the person ate it—we judge that work! We banish that act and proclaim freedom for everyone who ate it!
- In the name of Jesus, let that meat leave my body and my soul! Let it come out of my

stomach! Let it come out of my mouth! Let me be purified and washed!

- If a child was given biscuits and witchcraft was imparted to the child through that gift, you are delivered! We drive out the wicked spirit from every child who was bewitched through biscuits! All children bewitched through sweets and biscuits, we declare that you are free! Wicked spirit, go away!

- **Say:**

  - In the name of Jesus, we rise up against every disease that comes from direct or indirect, passive or active witchcraft—as long as it is witchcraft. If anyone among us is suffering from an affliction caused by witchcraft, we demolish that affliction, uproot it and throw it into the fire!
  - In the name of Jesus, we declare that every disease arising from witchcraft practices is banished!
  - In the name of Jesus, whatever the reason for these diseases and whatever their origin, we banish them! If they came through the sacrifice of a dog, a chicken, a sheep or a human being—whatever is called a sacrifice—even if the person paid a great deal of money, we judge that sacrifice and cancel it! We command healing!
  - We command healing for the head, the throat, the heart, the lungs, the liver, the tongue, the pancreas, the bladder, the womb and the ovaries, in the name of Jesus! We command healing for the fallopian tubes, the nerves and the brain, in the name of Jesus! We sanctify everything!

In the name of Jesus, every disease that comes from direct or indirect witchcraft—disease, go away! We uproot you and cast you into the dust! We declare the healing of everyone who was enslaved by that disease!

Put your hand where you feel pain and say:

- In the name of Jesus, we call forth healing! We say, “Spirit of healing, work in us!”
- In the name of Jesus, we call forth healing in the life of everyone who is suffering because of a dysfunction. If the illness is not caused by witchcraft but is connected to physical fatigue, we command healing to enter the body! Let everyone receive healing from God in their body! Let every failing organ receive the healing that comes from God! We command healing for the knees, the feet, the hips, the spine and the joints!
