Evangelistic Message

WE IMPLORE YOU ON CHRIST'S BEHALF: BE RECONCILED TO GOD

2 Corinthians 5:14–17, *"For the love of Christ compels us, because we judge thus: that if One died for all, then all died; and He died for all, that those who live should no longer live for themselves, but for Him who died for them and rose again. Therefore, from now on, we regard no one according to the flesh. Even though we have known Christ according to the flesh, yet now we know Him thus no longer. Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold, all things have become new."*

These words express the terms of a holy covenant between Jesus and mankind. It is a covenant that Jesus offers to you. Through it, He teaches you how to live in fellowship with Him. This relationship is based on love. We must love Jesus because He first loved us. You must love Jesus because He loves you. Your love for Jesus must be strong—a love that leads you to obedience, that compels you to remain faithful to Him. The Scripture says: "The love of Christ compels us." His love urges you on, constrains you, and keeps you in obedience. If your love for God does not keep you obedient, then it is only a weak love that cannot endure. You will backslide. Perhaps you have already backslidden. These are the terms of the covenant: "For the love of Christ compels us." We clearly understand what Jesus has done for us. Because of all the good that He accomplished for us, we must now consider ourselves dead to our former way of life. Jesus died for us. Jesus died for you so that you would no longer live for yourself. Do not let anyone deceive you. This is how one must believe:

People will mislead you into thinking the Bible is hard to understand. Whenever you want to read it, they discourage you by saying that it is too complicated or that everyone interprets it differently. But what is so complicated? The Bible simply says that if One died for all, then all died. If Jesus died for us, then we too must consider ourselves dead. Since He died for us, we cannot say, "Glory to God!" and then go and drink koutoukou (illicit local liquor) or beer. We cannot smoke cigarettes, take drugs, and still say, "Jesus died for us. Hallelujah!"

When you truly understand that Jesus died for you, the first decision you must make is to die for him as well. However, what Jesus asks of you is pure. It has nothing to do with suicide or human sacrifice. With Jesus, there is no longer any sacrifice for sin. He offered Himself as the sacrifice for us. So what does Jesus ask of us?

God is not asking us to die on a cross. Since His Son has already died on the cross for us, He now asks us to live for Him. Dear friend, this is not difficult. If it were difficult, you would not see people joyfully singing praises to God with smiles on their faces. In fact, it is something very simple. If you were asked to go and die on a cross that would truly be difficult. But Jesus says to you: "I will die, and you will keep your life. The Gospel that I was to preach, you will preach. The crusades that I was to organize, you will organize."

We are already striving to serve Him. We invited you because this is what Jesus expects of us. It is our responsibility to seek you out, bring you here, and explain the Gospel to you. If you believe, we must pray for your deliverance. Jesus wants us to do this for free, and we gladly accept this responsibility. Why? Because He died for us and now asks us to live for Him.

However, be careful! Many people know Jesus only according to the flesh. To them, Jesus is simply the son of Mary and Joseph, born in Bethlehem and raised in Nazareth. If you ask them to tell you anything more about Him, they have nothing else to say. They know Jesus only according to the flesh. Therefore, whenever Jesus is mentioned, they remain unmoved, as though someone were speaking about an ordinary Ivorian. The Almighty God, who sent His Son, does not want you to know Jesus merely in a human way. If your understanding of Jesus is limited to thinking that He was simply the son of Joseph and Mary, whose brothers lived among the people, then you have completely missed who He

truly is. God wants Jesus to be known according to the Spirit.

> **Matthew 16:1–12,** *"Then the Pharisees and Sadducees came, and testing Him asked that He would show them a sign from heaven. He answered and said to them, 'When it is evening you say, "It will be fair weather, for the sky is red"; and in the morning, "It will be foul weather today, for the sky is red and threatening." Hypocrites! You know how to discern the face of the sky, but you cannot discern the signs of the times. A wicked and adulterous generation seeks after a sign, and no sign shall be given to it except the sign of the prophet Jonah.' And He left them and departed. Now when His disciples had come to the other side, they had forgotten to take bread. Then Jesus said to them, 'Take heed and beware of the leaven of the Pharisees and the Sadducees.' And they reasoned among themselves, saying, 'It is because we have taken no bread.' But Jesus, being aware of it, said to them, 'O you of little faith, why do you reason among yourselves because you have brought no bread? Do you not yet understand, or remember the five loaves of the five thousand and how many baskets you took up? Nor the seven loaves of the four thousand and how many large baskets you took up? How is it you do not understand that I did not speak to you concerning bread? But beware of the leaven of the Pharisees and Sadducees.' Then they understood that He did not tell them to beware of the leaven of bread, but of the doctrine of the Pharisees and Sadducees."*
>
> **Matthew 1:23**, *"Behold, the virgin shall be with child, and bear a Son, and they shall call His name Immanuel," which is translated, "God with us."*

You must know Jesus according to the Spirit of God. If you desire to be blessed, ask yourself this question: Who was this Man who performed so many miracles? Was it simply because He was the son of Mary and Joseph? Who was He? Who is Jesus?

> **Hebrews 1:1–4**, *"God, who at various times and in various ways spoke in time past to the fathers by the prophets, has in these last days spoken to us by His Son, whom He has appointed heir of all things, through whom also He made the worlds; who being the brightness of His glory and the express image of His person, and upholding all things by the word of His power, when He had by Himself purged our sins, sat down at the right hand of the Majesty on high, having become so much better than the angels, as He has by inheritance obtained a more excellent name than they."*

Jesus is not merely a prophet. He is God, and God Himself declared Him to be His Son. God wanted His Son to become our Elder Brother. Although He is God, the Father declared to Him: "You are My Son." Jesus is not the son of Joseph. He is the Son of God. He is the radiance of God's glory and the exact representation of His being. The Scripture says, "In the past God spoke to our ancestors through the prophets at many times and in various ways, but in these last days he has spoken to us by his Son." God appointed His Son heir of all things. He is the rightful Heir. After His death and resurrection, God exalted Him, seated Him upon the throne, and commanded that all the angels of God worship Him. Jesus is eternal. He never dies. That is why He is our High Priest forever. This means that Jesus intercedes for you before the Father every single day. Every day He asks God to forgive you. Every day He asks the Father to open your eyes so that you may believe the Gospel. He is alive. He is not the son of Joseph. He is the Son of God.

> **Hebrews 7:17–25**, *"For it is declared: You are a priest forever, in the order of Melchizedek." The former regulation is set aside because it was weak and useless (for the law made nothing perfect), and a better hope is introduced, by which we draw near to God. And it was not without an oath! Others became priests without any oath, but he became a priest with an oath when God said to him: The Lord has sworn and will not change his mind: You are a priest forever. Because of this oath, Jesus has become the guarantor of a better covenant. Now there have been many of those priests, since death prevented them from continuing in office; but because Jesus lives forever, he has a permanent priesthood. Therefore, he is able to save completely those who come to God through him, because he always lives to intercede for them."*

Jesus can never be replaced. He has never transferred His priesthood to anyone else. Why? Because He lives forever.

> **Matthew 16:13–16**, *"When Jesus came into the region of Caesarea Philippi, He asked His disciples, saying, 'Who do men say that I, the Son of Man, am?' So they said, 'Some say John the Baptist, some Elijah, and others Jeremiah or one of the prophets.' He said to them, 'But who do you say that I am?' Simon Peter answered and said, 'You are the Christ, the Son of the living God."*

Those who know Jesus only according to the flesh are completely confused about His true identity. But one of Jesus' disciples, enlightened by the Holy Spirit, declared: "You are the Christ, the Son of the living God." Jesus received a priesthood that cannot be transferred. There are people who believe that Mary can perform the work of Jesus, and they worship her. They do not realize that Jesus Himself is interceding for us. They kneel before the image of Mary and say, "No, we do not worship her; we only kneel before her." But by doing so, they have already fallen into error.

With Jesus, the priesthood is eternal. Even while I am preaching, He is praying for us. He is the Great High Priest. If He asks the Father to forgive you, you are forgiven. He alone has the authority to appease the righteous wrath of God. Even while He was hanging on the cross, crucified, He prayed for us and for all those who had rebelled against Him, saying: "Father, forgive them, for they do not know what they are doing."

Then He declared: "It is finished." Immediately the earth shook. The tombs were opened, and the saints who had died came out of their graves. The Bible tells us that they appeared to many people in Jerusalem. My friend, Jesus is far greater than many imagine. The Scriptures teach us that if we have known Jesus merely according to the flesh, we must stop thinking that way. It is a serious mistake. Jesus is not merely a Palestinian. He is God. Jesus is not simply a Jew. He is the Creator. And the Creator has no nationality. Everything belongs to Him.

> **John 8:24**, *"Therefore I said to you that you will die in your sins; for if you do not believe that I am He, you will die in your sins."*

You need divine revelation. You must understand that Jesus is not merely a human being. The Word of God declares: "God was in Christ reconciling the world to Himself." May your eyes be opened! And when you come to know Jesus through the Spirit of life, you will abandon sin.

> **1 Timothy 2:5**, *"For there is one God and one Mediator between God and men, the Man Christ Jesus."*

Jesus is the Mediator. He is the One who brings you into fellowship with the true God. Jesus is the One who gives you access to the Father. He is the only way by which you can truly know God. Do you see? Here, we are not speaking merely about Mary's son. You need Jesus Christ Himself if you are to have a relationship with the living God.

> **Hebrews 10:19–22,** *"Therefore, brethren, having boldness to enter the Holiest by the blood of Jesus, by a new and living way which He consecrated for us, through the veil, that is, His flesh, and having a High Priest over the house of God, let us draw near with a true heart in full assurance of faith, having our hearts sprinkled from an evil conscience and our bodies washed with pure water."*

Listen to what the Word is asking you to do. We have just shown you that it is Jesus who can lead you to God; He died for this purpose, and the Father exalted Him above everything and everyone. Jesus allows you to enter into the presence of God. You see, we came to pray without paying anything. You simply stand up and say: "O God…" and there are deliverances, freely given. Who made this possible? It is Jesus of Nazareth. Through Him, we have free access into the sanctuary. Jesus enables you to stand before God. We have free access to the Father. And what should we do when the door of heaven opens before us? Let us draw near! Come forward to touch the throne of God! It is grace! Through Him, we have free access; we do not pay anything! Do not stay behind! Come to Him running!

Through the fullness of faith, you must believe that God loves you, that Jesus came for you.

Here, there is no difference; we are all equal. Whoever touches the throne is blessed, whether poor or rich, woman or man, young or old. If you only succeed in touching the throne, you are blessed. Who made this possible? It is Jesus of Nazareth! Your heart must be sincere! You must abandon hypocrisy! All that God asks of you is to be sincere. When you say: "I no longer want to smoke," it must be true, because God will forgive you all the sins, all the crimes you committed before knowing Jesus. You must purify your heart. Your conscience is evil; it condemns you, it judges you, it tells you that you are a murderer, an idolater.

When you ask God for forgiveness, and you decide to stop everything, your conscience becomes pure. Then we say: "He has a good conscience." Tonight, you must enter into the experience of a good conscience.

If you have drug in your pocket, you must throw it into the sand. You cannot say: "Jesus, I love You," while having drugs everywhere: in your eyes and in your lungs. You have become a problem in your family; everyone is worried, people think you are going to die soon. They do not even know where you live. Sometimes you live in boxes, in old containers, in unfinished houses; that is not the life of a human being. Jesus is calling you! You must come with a sincere heart, purified from every bad conscience, and with your body washed with pure water. Salvation is complete; it touches the body, the soul, and the spirit of man. It even touches your environment. Some people will go and wash their clothes for the first time tonight. They sleep in the dust, wake up in the dust, drink, fall because of alcohol, and they give off bad smells. You will wash yourself tonight, and you will become a blessing to your family.

Some have abandoned their wives and children; they do not even know where they are. You will go and look for them. This is what Jesus is asking of you: clean hands, a good conscience, a sincere heart, without hypocrisy. You return home, you come to Jesus, you repent, and you are baptized.

> **2 Corinthians 5:17-18**, *"If anyone is in Christ, he is a new creation. The old things have passed away; behold, all things have become new. And all this comes from God, who reconciled us to Himself through Christ and gave us the ministry of reconciliation."*

From today onwards, if you believe, you will be a new creation. All the sins that you used to commit, you must stop them; you are a new person. Everything becomes new for you. You must abandon false friends now. If you are taking drugs, if you accept Jesus today, you must put an end to those old relationships. As soon as your friends see you, they offer you drugs. You do not even have clothes, but they do not give you any. The only thing they can give you is drugs, poison. And you who are involved in prostitution, people manipulate you like an animal simply because they gave you a piece of bread. You sell your body, you buy bread and you eat. This means that you are eating your own body. Prostitution is a curse; you must stop, and you will become a new person. You will be blessed; Jesus Himself will take care of you. If you are ready, if this life attracts you, if you see the happiness and the riches that are found in this life in Christ, come. God has reconciled us to Himself. He will reconcile you to Himself through Jesus. God told us: "Go, speak about Me." God has given us the ministry of reconciliation. He has given us the authorization to organize campaigns, Bible studies, great gatherings, and large worship services in order to speak about Jesus.

Therefore, we are doing the work of ambassadors for Jesus before you. Jesus will not come Himself to look for you; He will send men, just as you see at this very moment. These are called the ambassadors of Jesus. Listen to their prayer: "We beg you, in the name of Jesus, be reconciled with God." If you have listened to this advice, if you want to be reconciled with God, raise your hand and come forward.

Warfare Prayer
HAVE FAITH IN GOD!

Mark 11:22-24, *"Jesus answered and said to them: Have faith in God. Truly I tell you, if anyone says to this mountain, 'Move from here and throw yourself into the sea,' and does not doubt in his heart but believes that what he says will happen, it will be done for him. Therefore, I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours."*

There is one thing that can destroy a crusade: doubt. To destroy doubt, you must believe that everything you ask for, God will give you. You must believe that what you have asked for, God has already given you. If you believe in this way, you have defeated doubt. You believe that what you asked God for, He has given it to you; the rest is His work. He does not tell you to check things, to calculate, or to analyze them. He says: "Believe that what you have asked for has already been given to you."

Concerning spiritual warfare, you should not be sad when, at your age, a demon manifests itself; it is God's battle plan. God has planned that this demon will leave now. You can be delivered from several demons. For some people, one demon may leave each day; this is normal. It is the plan of the Holy Spirit for you. For some people, since they have been attending the crusade, it is tonight, it is in a few moments that their miracle will happen. They have been faithfully present, and God has decided to deliver them today. And you see, every day there are testimonies. Some people do not come on certain days, and even at home, they are delivered.

How can you know that you have problems? There are signs. When you dream that a man comes to sleep with you, whether you are a man or a woman, it means that there is a problem of evil ties. You may sleep beside another woman; this spirit comes to you and does not touch the other woman because there is no bond with her. She has other problems. When you feel that you are always angry, it is a demon. Let no one deceive you. When you are afraid of everything, when you think you are going to die soon and a voice tells you: "You are going to die, you are going to die," and since you have been hearing that voice you are still alive, it is a demon. Ask yourself this question: "What is this voice that tells me I am going to die, yet I do not die? I have no peace." If you dream that you are flying like a bird, you need deliverance. If you dream that you are always in the forest or in your village, you need deliverance. Others receive revelations. But you are in the village; you are in cemeteries. If you have no favor before people, no grace before people, wherever you go, people do not even know you; they do not even try to know your name. Yet they remember the names of others, even when those names are long. You need grace and deliverance. When someone gives you a plate, it falls and breaks. You want to prepare a meal, but you forget the pot on the fire and everything burns. Everything that is bad follows you. People collect money to give it to you so that you can start a business, but at the first attempt, everything is lost. When people look at you, they are afraid to go far with you. They think that your misfortunes will reach them.

In dreams, you eat food, fish, meat, and so on. Whatever you eat in a dream is not good. You feel the dryness that follows you; you must be delivered. Take your problem seriously. If this continues, it will consume your whole life. But Jesus died so that His power might be given to us. You have the power of Jesus. Whatever you say to God, He will do it. Where you are sitting, you have the power of Jesus. Speak, pray, destroy, overthrow, tear down, uproot. This is what you must do tonight: you must attack what is destroying your life; you must make your life clean. You should say: "Amen!"

Ephesians 6:12, *"For we do not wrestle against flesh and blood, but against rulers, against authorities, against the powers of this dark world, and against spiritual forces of evil in the heavenly realms."*

There are spirits in the waters, in the places beneath the waters, in the depths, and in the deserts. The world is filled with evil spirits, and witchcraft uses spirits to bewitch

people because they are the army of the devil. The Lord Jesus is present with the Holy Spirit whom He has given us, with all the angels of God who assist us in the battle. You know, some brethren see angels during battles. They confuse them with Jesus. There is Jesus, and there are great angels. There are angels whose journey back and forth between heaven and earth could destroy Côte d'Ivoire! They are powerful. There are angels called the protecting cherubim. They do not tolerate rebellion against God; they can split the earth, you enter into it, and it closes again. They are present in most battles. Sometimes, God uses them to move like an airplane. Our God is Powerful.

Stand up and say:

- The Word of God declares: "The Son of God appeared in order to destroy the works of the devil!" The Word of God declares: "As the Father has sent Me, I'm also sending you!" I proclaim that Jesus sends us to destroy the works of the devil!
- In the name of Jesus, every work of the devil in my life must be destroyed! Every work of a human being in my life must be destroyed! Every work of chance in my life must be destroyed! Every dysfunction in my life, in my heart, in my lungs, in my kidneys, in my liver, in my bladder, in my fallopian tubes, in my uterus, everything called dysfunction that God did not create, every hormonal disorder, every abnormal reproduction of cells, everything that is not from God in my life must be destroyed! Everything that does not come from God and that exists in my life must be destroyed! (Continue praying.)
- Every disorder of growth in my life is destroyed! (Continue praying.) Father, answer us! Father, answer us! (Continue praying.)
- Every sickness, destroyed! Every sickness, uprooted! May every sickness in my body disappear! Everything that does not come from the Father is uprooted! Every work of the devil, uprooted and brought down! (Let us pray in tongues.)
- Father, fight for us in the heavenly places! Fight for us beneath the earth, in the seas, in the waters, in the places beneath the waters, in the sacred forests, in the tombs, in the Hades, in the dry places!
- Father, give us Your victories! O Father, change my life! Deliver me from the oppression of sickness, infirmities, afflictions, paralysis, joint pains, knee pains, hip pains, herniated discs, and every form of hernia!
- Father, act; sanctify my body! (Continue praying that God may enter into the battle.)
- Father, come down into my battles, destroy the enemy, scatter his troops, scatter his alliances, break his pride and break his supports of pride! (Continue praying.)
- Father, deliver all those who suffer from hemorrhoids! (Continue praying.)
- Father, break all cancers! O Father, deliver all those who suffer from diabetes! Deliver all those who suffer from kidney failure! O Father, deliver all those who suffer from epilepsy! O Father, deliver all those who wet the bed at adult age! (Continue praying.)

Raise your right hand and say:

- Father, may all those who are pursued by spirit husbands be delivered! We strike the entire army of spirit husbands! We enter into their kingdoms, we break the thrones! We overthrow the thrones! We break their symbols, we burn their emblems! We set the captives free! We deliver the people held captive! We proclaim the reign of Jesus! Night husbands, you are defeated! Come out and leave! (Continue praying.)
- In the name of Jesus, we cast out all demons that come from the worship of false gods! In the name of Jesus, we cast out all demons that come from the worship of waters! In the name of Jesus, we cast out all demons that come from the worship of masks! In the name of Jesus, we cast out all demons that come from the worship of mountains! In the name of Jesus, we cast out all demons that come from the

worship of trees! Everything that is not God, and the entire army of demons behind these forms of worship, we judge them! We judge you and we cast you out! You have no place here! Here, it is Jesus! Leave!

In the name of Jesus, spirit of the dead, the Hades belongs to you, leave! We cast you out; whatever the reasons for which you exist, we banish you! We banish these reasons! We crush these reasons, and we cast you out! And you, kingdom of serpents, the fire of God comes down upon you! Let every person held captive by serpents, by the worship of serpents, and by divination be delivered! We cast you out of every life! Small serpent or great serpent, leave!

Contemplate the goodness of Jesus, His work on the cross. Do not allow any claim or accusation. Say to the enemy: "I owe you nothing anymore. I no longer belong to you! The Word of God declares that Jesus said: 'When I am lifted up, I will draw all people to Myself.' My enemy, Satan, I have said yes to Jesus, willingly and consciously! I have held nothing back! Go away!"

Keep calm.

If there is someone among us, someone whose parents sold their wealth; they said: 'Take everything, leave him alive,' we judge this case! We set this person free! We break the bond that connected him to the evildoers!

There are people whose parents did not want to kill. They had a certain affection for them. When the sorcerers wanted to come and eat them in order to pay debts, the parents said: "Take his success at school, take his money; leave him alive!" They are present, but they cannot become anything. This act must be judged!

Say:

- We judge this demonic case! We set the captives free! In the name of Jesus, we judge this demonic case! We set the captives free! We deliver every person who is poor because of this exchange! (Continue praying in tongues.)
- We break this judgment and we set the captives free! We recover everything that was stolen because of this exchange!

If someone promised you that you are his successor, and you did not even know what that meant, say: "I do not want these things." From the day he told you that you were his successor, even if you did not say yes, he had already invested in it. You are going to cancel that, even if on that day you did not give an answer.

Say:

- Today, I say: No!

In the name of Jesus, I do not want this inheritance! I do not want the inheritance of demons! I do not want the inheritance of witchcraft! And all the spirits that have followed me because of this agreement, I cast them out of my life! Every disorder that entered my life because of this choice, I cast it out! (Pray in tongues.)

Keep calm.

- Satan, go away quickly! Evil spirit, go away! We put an end to your reign! Go away!
- In the name of Jesus, if there is someone who has a spirit of dual personality within them; there is another version of themselves inside them, go away! Let the true person remain! Go and never return! Evil spirit of dual personality, go away! We strike you! Go! Leave the person alone! In the name of Jesus, we remove the traces you have left behind! We undo the curses you have left behind, which have attracted false judgments against him! Go away and never return again!
- Keep calm. Let the Holy Spirit work. Do not doubt! God is working for our good; He is with us. He will not leave you! He is dealing with your case; do not doubt. Everyone is before Him, and He is working! He is fighting! He has His flaming

sword; He strikes the adversaries! His sword is full of blood because He has struck, and He continues to strike!

- Let us pray in tongues!
- Demon, go away and never return! (Continue praying.)

In the name of Jesus, if someone is being pursued by a spirit of the dead because, when a person died, the clothes were shared and he received his portion, and this established a covenant. In the name of Jesus, we declare that you are free! In the name of Jesus, I separate myself from these clothes (separate yourself, whether they are shoes or a suit).

Stand up.

Say:

- In the name of Jesus, if there is a human being who has sat on a brother's blessings through the power of darkness, through witchcraft, and has said: "As long as I am here, there will be nothing," we proclaim that man is not God! We judge him and we overthrow him! We remove him from the way, we place him far away from the victim, and we bless the victim!

We say: "Child, rise up and walk! Go and enjoy your blessings! We release all the blessings, all the good things that were blocked! We wash this brother's name in the blood of Jesus! We remove the defilement of slander, lies, and all the evil things spoken against him! We cast out all these misfortunes! In the name of Jesus, may these misfortunes fly away and fall into dry places!"

- If you are a brother and there is a door of blessing before you, at the human level, but the door is closed; you do not know who closed it, but it is closed, say:
- In the name of Jesus, we break this door!

In the name of Jesus, every door closed before a brother, every door barricaded and shut, we break it and we allow the brother to enter, and we release his blessings. We release everything that people wanted to block! If it is a mountain, we uproot this mountain and we command that the way remains open!

Raise your hand and say:

- Lord, renew me; renew my strength to continue the battles with You. Give me discernment, give me wisdom.
- In the name of Jesus, may every child of God who is in a state of exhaustion be restored now! May he feel a renewal of energy to continue the battle and the ministry of God's work, without fatigue and without confusion!

Raise your right hand and say:

- In the name of Jesus, if you have formed a council, we scatter the members of this council! We tear away the captives! We take back everything that you have held within your union; we weaken you and leave you without strength!

If you are a businessperson, stand up. We are going to judge the army of the devil behind the businesses of the brethren. The brethren cannot engage in corruption, so it is difficult from a human point of view. We are going to pray that they may be delivered from blackmail. There is a sect that had said to a brother: "If you join us, we will transfer 150 million into your account." We are going to pray that the brothers may prosper in truth and in the light.

Raise your right hand and say:

- We judge the armies of darkness sent to attack businesspeople, all those who engage in trade, to keep them in poverty, and to create the impression that the devil gives wealth. We declare that gold and silver belong to our God!
- In the name of Jesus, we judge the armies of darkness that come to sell prosperity

by making God's children captives, by leading them to compromise themselves. We set them free!

- In the name of Jesus, brothers and sisters, we declare you prosperous! We break the obstacles placed by demons! We break the obstacles! We burn them!
- In the name of Jesus, may God's grace and favor accompany you! May favor go before you! We judge poverty!

Raise your hands and say:

- May my hands be the hands of Joseph! May it be known that everything I touch succeeds!
- In the name of Jesus, we judge the demons that come with scammers to prevent us from prospering in business! We judge the army of demons sent to deceive businesspeople through false projects in order to impoverish them!
- In the name of Jesus, brothers, be blessed! Prosper! May the Lord give you men like Cyrus who will open doors for you without corruption!

If you are a civil servant or a worker, stand up!

- Let us raise our hands and destroy the obstacles of Satan and of men. Sometimes, it begins with human beings. When people see that you have a prosperous future, they go to a witch doctor to bewitch you. When your colleagues see you, they will act against you. They will betray you by saying: "We are two, but the other one must be eliminated." Afterwards, they write a letter against you. Your boss criticizes everything you do. When you do not speak, they say: "You are silent!" When you speak, they say: "You talk too much."

In the name of Jesus, we break the obstacles on the path of all brethren who work! We break the obstacles placed by wicked and jealous people! We break these obstacles, we crush these obstacles; the obstacles placed by demons, by idolatry, the obstacles of curses, we strike them! We overthrow them, and we bless the brethren! May they prosper! May they be known and appreciated, without jealousy.

- If you are married or single, raise your right hand and say:
- In the name of Jesus, we judge the armies of the devil that work to cause bad marriages! If someone has fallen into a trap, we deliver them!

If there is an army of demons that has entered a home, a home that was doing well but is now invaded by demons, we cast them out, in the name of Jesus!

- In the name of Jesus, we restore couples! We put an end to false engagements! We cast out the hidden serpent spirits behind them!

In the name of Jesus, we judge the demons that teach rebellion to children!

If you are married, take good care of your home, because a marriage can be annulled. Do not say: "What a blessing! I am already married. There is no divorce, hallelujah!" There can be divorce. However, the measure should not apply to all marriages. If, in a certain locality, the elders have evidence that it is a false marriage, according to the criteria, they have the authority to annul it. It must not be generalized.

Brother Zach said that, concerning marriage, we should not impose conditions and rules that must be observed, but that each locality should handle the cases. Since God has given us the grace to experience growth, there are many marriages. Do not be the kind of woman who says: "I have arrived; there is no divorce!"

The same advice is given to men. Be a very good husband; correct your behavior. You must not mistreat your wife. Our prayer is not a chain that binds people and makes you rejoice in their suffering. Pray that you may be a good husband. Treat your wife well! May the word "divorce" not exist in your vocabulary, and our sisters will be blessed.

Let every man pray:

- Lord, I pray that my wife's happiness may begin tonight!
- Lord, give our sisters the grace to be women of class, who spread happiness and grace in the lives of their husbands.

Let every woman pray:

- Lord, may I be such a good wife that my husband does not think of anything negative, even in his deepest sleep!
- The hand of the Lord will be with you!

Word of the Lord:

For some brothers, the Lord has not crushed the obstacles as we asked Him to do. What He will do is this: as you move forward, you will see thorns and obstacles, and the Lord will say to you: "Move forward! Do not be afraid!" You will say to Him: "Lord, there are thorns," and He will answer: "Walk!" and the thorns will be crushed! This is what He will do. If you see the thorns, do not say: "Yet we prayed!" Leave it! Just take one step forward! The thorns, the scorpions, and the brambles will be destroyed! This is the Holy Spirit who told me to explain this! The Lord says that He is not required to clean the path. Be assured that He has told you: "Go," and you must leave! There are people who will come and ask you for forgiveness! They will ask you for forgiveness! Some will kneel down, but do not glorify yourself; it is God's work for you! If someone asks you for forgiveness, forgive immediately. Do not tell them to come back the next day, because it is God who is fighting for you! Some men will come into the church after having been great persecutors of their Christian wives.
