Evangelistic Message

IT IS BY FAITH IN HIS NAME THAT HIS NAME BRINGS YOU SALVATION!

Acts 3.1–16: *"One day Peter and John were going up to the temple at the time of prayer—at three in the afternoon. Now a man who was lame from birth was being carried to the temple gate called Beautiful, where he was put every day to beg from those going into the temple courts. When he saw Peter and John about to enter, he asked them for money. Peter looked straight at him, as did John. Then Peter said, 'Look at us!' So the man gave them his attention, expecting to get something from them. Then Peter said, 'Silver or gold I do not have, but what I do have I give you. In the name of Jesus Christ of Nazareth, walk.' Taking him by the right hand, he helped him up, and instantly the man's feet and ankles became strong. He jumped to his feet and began to walk. Then he went with them into the temple courts, walking and jumping, and praising God. When all the people saw him walking and praising God, they recognized him as the same man who used to sit begging at the temple gate called Beautiful, and they were filled with wonder and amazement at what had happened to him. While the man held on to Peter and John, all the people were astonished and came running to them in the place called Solomon's Colonnade. When Peter saw this, he said to them: 'Fellow Israelites, why does this surprise you? Why do you stare at us as if by our own power or godliness we had made this man walk? The God of Abraham, Isaac and Jacob, the God of our fathers, has glorified his servant Jesus. You handed him over to be killed, and you disowned him before Pilate, though he had decided to let him go. You disowned the Holy and Righteous One and asked that a murderer be released to you. You killed the author of life, but God raised him from the dead. We are witnesses of this. By faith in the name of Jesus, this man whom you see and know was made strong. It is Jesus' name and the faith that comes through him that has completely healed him, as you can all see.'"*

This story is found in the New Testament. It is about a miracle that took place after the death and resurrection of Jesus Christ. The people were astonished to see a man who had been lame from birth standing, walking, and entering the temple. The Apostle Peter then explained why this miracle had taken place. The purpose of the Holy Spirit, through this story, is to lead us to believe in Jesus. Even if you do not understand everything, remember this: the Holy Spirit performed this miracle so that people would believe that Jesus is the Son of God, and that whoever believes in Him and receives Him into his life will experience joy, just like as lame man did when he was healed. You, too, can experience the same miracle. This is what the Holy Spirit wants to accomplish in your life. Everything that has been written was written for our benefit. God wants to instruct us.

Every day this lame man was carried and placed at the entrance of the temple. Every day other people entered the temple to pray, but he remained outside, sitting at the gate, stretching out his hand to beg for alms. That was his daily life. People carried him there, set him down, went inside to worship God, while he remained seated outside the temple, begging from those who passed by.

One day, two extraordinary men—Peter and John—were going into the temple at the hour of prayer. As usual, the lame man stretched out his hand to ask them for alms. Yet this simple request became the doorway to an extraordinary blessing. He asked for alms from two men who were indeed rich—but their riches were not the riches of this world. As he stretched out his helpless hand, he had no idea that he was reaching out to two ministers sent from heaven.

The Word of God says that there are people who appear to be poor, yet they make many

rich. They may seem to possess nothing, yet they have the power to enrich others. The Apostle Paul said that we are regarded as having nothing, and yet we possess everything.

Dear friend, you may be sitting next to a neighbor you do not know—or perhaps someone you even despise—yet that very person could make you a billionaire.

The lame man asked Peter and John for alms. They had not a single coin in their pockets. You know that beggars often have the unfortunate habit of looking in every direction, searching for potential donors while keeping their hand stretched out toward someone. They are easily distracted and lack focus.

Peter said to the lame man: "You are sitting here expecting something from everyone. But something is about to happen to you. Look at us!" That was the key that allowed faith to enter the man's heart. He obeyed. He believed that he was about to receive something from these two men, so he fixed his eyes on them, waiting to see what would happen. No one had ever told him, "Look at us." For the first time in his life, someone deliberately captured his full attention. This was the work of the Holy Spirit. Then Peter said: "Silver or gold I do not have, but what I do have I give you. In the name of Jesus Christ of Nazareth, walk. "Taking him by the right hand, Peter helped him to his feet. The lame man received something from Peter and John—but it was neither silver nor gold. He received Jesus Christ, the eternal Lord. And through the name of Jesus, he began to walk. You too will walk tonight. He entered the temple with them, walking, jumping, and praising God. He was filled with joy. He overflowed with gratitude.

There are people whom Jesus has healed, yet they are unable to praise God. This former lame man was not ungrateful. He was deeply thankful to God. He rejoiced. He sang. He praised God. For the first time in his life, he entered the temple himself. Before that day, people would leave him at the gate while they went inside. But now he had regained the use of both his feet. Just like everyone else, he walked into the temple. You, too, will enter the temple. Among you are people who will cast out demons, prophesy, and preach the Gospel. You will serve God faithfully. Some of you will serve Him in a village, others in another country, others in a great city—or even in Attiékoi.

After his healing, this man never left the apostles' side. Dear friends, once you have believed in Jesus, come and find me. I will show you where we hold our meetings. You should never leave the person through whom God has worked a miracle in your life. You should remain with those whom God is using to strengthen your faith. Your families should be astonished and say: "The smoker has been saved!" "The drug addict has been delivered!" You must no longer separate yourself from the children of God. Remain among God's people, so that His light may continue to shine in your life.

Seeing the amazement of the crowd, Peter decided to explain the source of the miracle. He wanted them to understand how this lame man had been healed and had become able to enter the temple. Peter declared: "Be careful! It was neither I nor John who performed this miracle. We are nothing. Why do you stare at us as though we had made this man walk by our own power or godliness?" Then he continued: "The God of Abraham, the God of Isaac, and the God of Jacob has glorified Jesus of Nazareth, whom the people rejected." They arrested Him, denied Him before Pilate, and handed Him over to be crucified. Pilate wanted to release Him, but the crowd threatened to accuse him before Caesar. Because of their relentless pressure, Pilate finally yielded to their demands. So they crucified Jesus. Jesus is the Author of life. He came to save sinners. He willingly accepted suffering. He humbled Himself. He left His throne of glory. Humanity should have welcomed Him with open arms. People should have received Him, because He came to set the captives free. Instead, they cried out: "No! He must die!"

Peter continued his message by saying that this same Jesus—whom they had rejected,

despised, crucified, and buried—had been glorified, exalted, and raised from the dead by God. Therefore, He was no longer dead; He is alive. Peter went on to explain that they were eyewitnesses of these events. They were present when Jesus was arrested. They had followed Him throughout His earthly ministry. They had seen everything He did. And after His resurrection, He appeared to them. They saw Him alive. Peter declared: "When you put Him to death, we were there. We ate with Him. He is no longer in the tomb; He is alive. You believe He is dead, but you are mistaken—He is alive! We are His witnesses!" The people listened in astonishment. Then Peter proclaimed: "It is by faith in the name of the One whom you crucified, rejected, and despised that this man, whom you see and know, has been made strong. It is faith in Jesus Christ that has brought this man, whom you have known all his life, this complete healing today."

Dear friend, is that difficult to understand? This man was lame. What did he need? He needed faith in the name of Jesus. Perhaps you are blind, paralyzed, or bound by the shame of lifelong celibacy. Perhaps witches have blocked your fallopian tubes, leaving you barren while they rejoice over your suffering. What must you do? You also need faith in the name of Jesus. Jesus alone can open your fallopian tubes by His mighty power and perform a miracle in your life. Peter declared: "It is by faith in His name that His name has made this man strong, whom you see and know." What do you need to be delivered from alcoholism? You need faith in the name of Jesus, and you will be set free. Perhaps, through witchcraft, you have been imprisoned in a spiritual brewery. It is as though a pipe has been placed in your mouth, continually pouring beer and rivers of alcohol into you—even when you are not drinking. Faith in the name of Jesus will shatter that demonic brewery, break open your prison, and set you free. You too will be able to spend days and nights without touching alcohol.

You who suffer from chronic headaches, it is by faith in His name that the black smoke over your mind can disappear and you can be made whole. It is by faith in His name that hemorrhoids can be healed. It is by faith in His name that the insane can be restored. It is by faith in His name that depression can leave your mind and you can become whole again. It is by faith in His name that His name will transform your life and grant you the salvation that opens the door to eternal life. Jesus is the way, the truth, and the life. When someone tells you about Jesus, you should run to Him and embrace Him. Instead, you compare Jesus with the passing pleasures of this world. You hesitate, wondering whether you should give up koutoukou (illicit local liquor). Leave alcoholism behind, and you will be blessed! Peter said to the lame man: "Look at us!" In the same way, stop looking to komians, djè, or goli. No one on this earth can save you. Only Jesus can.

God said to the children of Israel: "Do not turn to the left or to the right. I am the LORD your God. I alone am able to save you." Jesus can save you! If you have backslidden, you have surely discovered that nothing has gone well for you. You turned away from Christ for nothing. What should you do now? Come back to Him—without conditions and without bargaining.

This is a message of healing and deliverance. When you receive Jesus, you attract God's gracious favor upon your life. You will witness His miracle. Peter told the lame man: "Look at us!" If you accept Jesus, go home and destroy every fetish object and every bottle connected with occult practices. Look in one direction only—toward Jesus Christ. If a witch doctor still has your phone number and calls you without knowing that you now belong to Christ, simply tell him: "Jesus has saved me." Then you will see what Jesus will do in your life.

WARFARE PRAYER

FAITH IN JESUS WILL BRING YOU COMPLETE HEALING!

Acts 3:16, *"By faith in the name of Jesus, this man whom you see and know was made strong. It is Jesus' name and the faith that comes through him that has completely healed him, as you can all see."*

Faith in Jesus brought this man complete healing. Faith in Jesus will also bring you complete healing! Faith in Jesus will fulfill in your life the promise recorded in Isaiah 53:5, where it is written: "...by his wounds we are healed." Do not doubt. Peter said that this miracle did not depend on us. It was not because we were holy or powerful. It is something Jesus Himself desires to accomplish in your life.

Simply believe that Jesus was sent to bear our diseases. Your sicknesses are leaving you and being laid upon the body of Jesus. God determined that both your diseases and mine would be borne by Christ. Jesus carried those disease-ridden bodies to the cross. When He was crucified, our sicknesses remained nailed to the cross. Jesus came down from the cross victorious and rose from the dead. The same victory will be yours. It is by faith in His name that this man received complete healing.

Stand up. Speak with God. Say to Him:

- Lord, I believe that there was a lame man who was not even looking for healing. He was only asking for alms. Yet the Apostle Peter gave him Your name, and through Your name he was healed. If You healed him, it means you can heal me three times over. He was not looking for You, but You came looking for him. He was only asking for alms.

You, on the other hand, are seeking healing. Your suffering has brought you here to seek Jesus. That is why you are under this canopy today. Believe that God is good and that He is able to answer you. Believe that the name of Jesus can cause you to leave this place completely healed, whether your illness affects your brain, your eyes, your teeth, your tongue, your stomach, your heart, your liver, your kidneys, your spleen, your pancreas, your nerves, your blood, or whether it is a severe and painful disease that causes everyone who sees you to pity you. The name of Jesus healed a lame man who was only waiting for alms. How much more will He heal you, who have come seeking healing!

Jesus has not changed. He is the same yesterday and today and forever. Is there any other name by which I can be saved and healed? O Jesus, is it not Your wonderful name that You have given to mankind, so that at Your name every knee should bow, in heaven and on earth and under the earth? (Continue speaking to Him.) Pray in tongue.

- In the name of Jesus, let these diseases disappear! (Mention the name of your illness.)
- It is by faith in His name that His name will give you healing. The name of Jesus gives you healing!
- Let kidney failure disappear! Let every heart disease disappear!
- You who suffer from heart disease, be healed in the name of Jesus! You who suffer from lung disease, be healed in the name of Jesus! You who suffer from liver disease, be healed in the name of Jesus! You whose womb is filled with fibroids and myomas, be healed in the name of Jesus! You who suffer from stomach disease, be healed in the name of Jesus! You who have stomach ulcers, be healed in the name of Jesus! You who suffer from prostate disease, be healed in the name of Jesus! You who suffer from joint pain, be healed in the name of Jesus! You who suffer from knee pain, be healed in the name of Jesus! You who have received a mystical

disease, be healed! You upon whom witches have cast a spell, be healed! Let every curse be broken and destroyed! You who suffer from epilepsy, be healed! Epilepsy, disappear!

- You who cannot see, see, in the name of Jesus! May the demons that close your eyes be judged and cast out! You who have ear pain, hear! May your ears be opened! May the life of Jesus enter into you! May faith in Jesus deliver you!
- I cast out every disease, in the name of Jesus! Disease, you have ears, leave! Leave this body! Go away!
- If your name is disease, whether small or great, leave! May every malfunction of the body disappear! Every hormonal disorder, disappear! Healing, in the name of Jesus!
- In the name of Jesus, may the armies of Satan behind these diseases be judged, cast out, and struck down!
- Let all demons, giant spirits, dwarf spirits, and everything behind diseases of the head, diseases of the ears, blood diseases, joint diseases, nerve diseases—everything that is called disease: wounds, scabies, even if it is a hidden disease, even if it is located where human eyes cannot see—leave! (Continue praying and judging.)
- In the name of Jesus, we crush every bewitchment that has made sickness possible! whoever sent it, even if that person offered sacrifices of money, sacrifices of animals, sacrifices of human beings, so that their charms would work and produce sickness, we destroy all those sacrifices, even if they are accompanied by snakes, reptiles, or even human spirits. May everything that accompanies these diseases, may everything be struck down!
- In the name of Jesus, all hereditary diseases, you are banished and broken, and the chain of transmission is broken!
- In the name of Jesus, if an illness is caused by a spiritual prison—if someone is sick because their spirit body is imprisoned in a hut, in the water, or in a bottle—we break that hut! We shatter that bottle! We destroy every such thing, and we drive out every pain that comes from this captivity, in the name of Jesus!
- If this pain exists because the victim is under the water, we break the chains in the waters and bring their soul out of prison!
- If someone is sick because they are bound in the invisible realm, and the pain comes from the demonic chains with which they have been bound, we break those chains! We cut every bond! We set their soul free and bring it into liberty! (Pray in tongues.)
- In the name of Jesus, if someone is imprisoned in a tower, we pull down that tower, we break it apart, and we set their soul free from that tower!
- If someone is imprisoned in a spiritual vehicle, we smash that vehicle, we break open its doors, and we command the captives to come out, in the name of Jesus! (Continue praying in tongues.)

Place your hands on your head and say:

- In the name of Jesus, I vomit everything I have eaten and drunk. Even if it was human blood that I drank unknowingly, I vomit it out and remain pure. I drink the blood of Jesus—the blood that cleanses, the blood that sanctifies, the blood of victory! (Continue praying in tongues.)
- If someone is suffering because, in witchcraft, he/she has been swallowed, we command the one who swallowed him/her to vomit them out! (Continue praying in tongues.)
- If someone is sick and their soul has been trapped in a forest for years, we make a way, bring them out, and burn down the forest! (Continue praying in tongues.)
- Let us remain in prayer. Speak with God. Tell Him:

- Lord, I have already prayed, therefore I am healed. This is Your promise. I have prayed. As far as I am concerned, this sickness is gone, according to Your promises.
- Speak with your Father!
- As for me, this fibroid is gone, just as I asked. I do not believe otherwise. You told me that if I ask and believe, I will see it come to pass. Father, I believe!
- Lord, it was by faith in Your name that Your name healed that man! Lord, You have not changed!
- Just pray. If there is a demon standing in the way, the Lord will strike it!
- If one day, while you were sleeping, an icy hand touched you, it was a spirit of death. We break that contact, and we drive out every sickness that came through that contact.
- If one day someone called your name and you answered, we break the bond that was established! If someone called you, you replied, "Yes," and you went away with that person, we deliver your soul from that trap! We snatch you out of that snare! We declare that nothing shall happen to you! If you were already sick, you are healed!
- If your sickness comes from an evil spell—if someone defecated somewhere and, from the moment you saw it and smelled it, death entered into you—we break that yoke! We deliver you from that odor! We deliver you from those spirits of death that have been established over you, and we heal you! (Let us pray in tongues.)
- If witches have stolen something that represents your life or your health, we snatch it back, in the name of Jesus! Everything that has been stolen, which corresponds to your life or your health, we reclaim! In the name of Jesus, if there is any resistance, we strike it, we break it, and we recover that life! We recover your health and scatter the enemies! Be gone and never return!
- In the name of Jesus, if you stepped on something that pierced you and, through it, evil entered into you, we pull out whatever pierced you, and we immerse your foot in the blood of Jesus! We declare that no harm shall come to you! We heal you! We insist: if anyone has health problems because they stepped on something prepared by witches—even if it did not physically wound them, but it had been declared that whoever stepped on it would become sick—we deliver them now! We set you free and remove whatever entered into you!

If someone was bitten by a snake that was actually a witch in disguise, and although they received injections, the demonic venom still remains in their body, we root it all out! By the saving name of Jesus, we remove every trace of that poison and venom from your body. We prophesy life!

A sister had already given birth to one child. However, after her marriage, she had difficulty conceiving again. After many prayers, she finally became pregnant. At the hospital, she was told that she was expecting twins. Everything was progressing normally. One day, a woman offered her a traditional herbal medicine, which she used for enema. Some time later, she had a dream in which a serpent came to snatch the babies from her womb. She resisted, but the serpent took one of the babies. The following day, she began to bleed. She lost the pregnancy. She then realized that the traditional medicine had been the cause. There are medicines that carry spirits.

- Man or woman, if there is an evil spell in your life because of a traditional medicine that you received or purchased, we now banish every spell that came through those demonic treatments, and we wash you clean! We immerse you in the blood of Jesus, and we command the healing of Jesus to come upon you!
- If there is a brother or a sister who is sick because he or she has a husband or a wife among the spirits of death, and whenever that husband or wife visits, he or she brings sickness rather than poverty, raise your right hand and say:

We deliver that brother! We deliver that sister! We snatch them from death and we heal them!

Stand up.

- We rise up against every sickness that comes through the wickedness of human beings. We send their wickedness back to them; let them take it back! Let each one receive back his own wickedness! In the name of Jesus, if the wicked think their wickedness is a good thing, let them keep it themselves! (Let us pray fervently!)

I proclaim that it is written: "I will make your enemies eat their own flesh." Let them receive back their own wickedness! Wickedness, return to your own place! Take back your diseases! Take everything that belongs to you and go!

Sit down and remain calm.

- Be gone, evil spirit! Go and never return!

If there is a list on which your name has been written, placed in an earthen pot, dedicated to a spirit, and buried, then in the name of Jesus, because of you, may the Lord send His fire to destroy it completely! For it is written: "Because of you, I will send an enemy against Babylon." We break that earthen pot, we tear up the list, and we save this brother and all the others! We destroy the list! We break the curse!

Raise your right hand.

- When the prayer intensifies, some spirits flee and hide in strongholds. We are now going to tear down every stronghold where the enemy has taken refuge.

Every spirit carrying sickness that has gone into hiding in a stronghold, may the fire of God find you there and destroy you!

Say:

- The Word of God declares that we pull down strongholds. We break every fortress and strike every place where the enemy has gone into hiding! We demolish the strongholds! We expose the enemies to the wrath of God and to the judgment of God, in the name of Jesus Christ!
- Lord, visit Your people! If there are organs that have been damaged, replace them! Replace the damaged heart! Replace the damaged lungs! Replace the damaged womb! Replace the damaged eyes! Lord, there are organs in heaven. You have already replaced the organs of some brothers and sisters; You have even replaced skin! Your mercies are not exhausted! Lord, Your mercies are not exhausted!
- Lord, replace every damaged organ! Replace the damaged liver! Replace the damaged kidneys! Replace the damaged reproductive system! Replace the damaged male reproductive organs! Replace the damaged female reproductive organs!

O Lord, grant miraculous conceptions and miraculous births! Lord, replace the organs! You have done it before, Lord. You can do it again! It depends on You—You who show mercy to whom You will!

Speak to Him and say:

- O Father, it is simply Your goodness that we ask for. You have done it before, and we have seen it. Do it now while our hands are lifted up! O Father, replace every failing organ! Replace the blood—all the blood—even blood that contains viruses! Let every virus disappear!
- O Father, replace the heart! Replace the bones! Replace the nerves! Replace the teeth! Replace the eyes! Replace the stomach! Replace the womb! Replace the right fallopian tube! Replace the left fallopian tube! Replace the bladder!
