THE WRATH OF GOD IS REVEALED FROM HEAVEN AGAINST EVERY SIN OF HUMANKIND

Romans 1:18-27*: "The wrath of God is revealed from heaven against all the ungodliness and unrighteousness of people who suppress the truth by their unrighteousness. What can be known of God is plain to them, because God has shown it to them. Since the creation of the world, His invisible attributes—His eternal power and divine nature—have been clearly seen and understood through the things He has made. They are therefore without excuse. Although they knew God, they neither glorified Him as God nor gave Him thanks. They became futile in their thoughts, and their foolish hearts were darkened. Claiming to be wise, they became fools and exchanged the glory of the incorruptible God for images resembling corruptible human beings, birds, four-footed animals and reptiles. Therefore God gave them over to impurity, according to the lusts of their hearts, so that they dishonoured their bodies among themselves. They exchanged the truth of God for a lie and worshipped and served the creature rather than the Creator, who is blessed forever. Amen. Therefore God gave them over to shameful passions: their women exchanged natural relations for those contrary to nature; likewise men abandoned natural relations with women and burned with desire for one another, committing shameful acts with men and receiving in themselves the penalty their error deserved."*

This portion of Holy Scripture speaks about God's wrath against humankind. He will manifest a very great wrath. It is already being manifested to a lesser degree: diseases, accidents and calamities speak of God's wrath.

God wants people to know Him, worship Him and serve Him. To this end, He revealed Himself through His works: He created the earth, the heavens, the stars, the moon, seas, rivers, lakes, large and small trees, ants and elephants. God chose the most powerful means of revealing Himself to people. He wanted people to contemplate His works and worship Him; to look at the hippopotamus and exclaim, "God is great, Hallelujah!" He wanted people, faced with the sea waves on a beach, to cry out, "God is great, Hallelujah!" He wanted a person, on seeing a little ant, to ask, "Where is its brain? God is powerful!" He wanted a man to fall to his knees upon seeing how bees make honey and say, "God, I worship You! You are intelligent!" When we see God's works, we understand His perfection, the splendour of His wisdom and the greatness of His intelligence. God knew that a normal person, faced with a magnificent work, always asks who its author is. When the author's name is given, everyone respects that person. But what has humankind done?

When people see the sun, instead of asking, "Who created it?", they begin to worship it. You are without excuse. God will not forgive you for this. People have become foolish. They have not learned to worship the true God. They have become fools, worshipping the things God created instead of worshipping God Himself. Divine wrath awaits you who worship idols, human beings and everything God created. Snakes, trees, hills—these are your gods! You kneel before a tortoise. You give it rice and oil, saying, "Eat! Eat, O my god!"

People have seen God's works, yet they refused to worship God as the Creator of those works. They began to worship snakes and animals. Some even treat animals like human beings. God's wrath is visible to those who have spiritual discernment. It will not delay; the world will be judged. Those who obey God will live with Him eternally. Those who remain in idolatry will first suffer on this earth. Do your research and you will find out that idolatry brings divine curse upon the whole world. Some peoples have already seen wind moving at a speed of over 300 km/h, sweeping away all houses, burying them and passing violently through. This is a manifestation of God's wrath. Sometimes God causes the earth to quake and buildings to collapse. This is nothing; something more serious is

coming!

Some people practise homosexuality and lesbianism; it is God's judgment upon them. They have been cursed. God has given them a heart to commit abominable acts. When you refuse to serve God, He gives you over to the desires of your heart and says, "Go and do what you want. Go and sin." And indeed you go and sin, becoming homosexual. You end up sleeping with animals or masturbating. Many people have already been given over, but they will be saved tonight. God has already given some people over to tobacco. He said to them, "You want to smoke, don't you? Smoke! Go ahead!" After smoking, you cough and say, "My God, why have You abandoned me?" God has given you over! He said, "You want to sin? Go and sin. Go ahead! Go and sin!"

A young man told me that he had been given a monkey to skin. Before doing so, he first had sexual intercourse with the monkey's carcass. God had given him the heart of animal. He said to him, "Since you do not want to be a true man, then be a fool!" The wrath of God is revealed from heaven against all the ungodliness and unrighteousness of men who hold the truth captive. They know the truth, yet they imprison it. They know the truth, but behave like fools.

Someone told me that in their family, when a python is hungry and swallows a baby, they rejoice. They keep pythons in their homes because they see them as their ancestors. A python swallows a baby, and you accept it and rejoice—you are foolish!

The wrath of God is revealed from heaven against all who live this way. In some countries, there are temples dedicated to snakes. They build a small temple for God beside the very large temple for snakes. Some people think that if they build one temple for God and another for pythons, God will have mercy on them. If you build a temple for a python and die, you will go to hell; the flames of fire and God's judgment will welcome you. Even before you die, while you are still in this world, God will make your life difficult. You will have diseases you do not understand, and those diseases will be the consequences of your sin. The wrath of God is revealed from heaven against all the ungodliness and unrighteousness of men who suppress the truth. Why? God has made known to them what they needed to know in order to become true worshippers. If they do not worship Him, it is because they are wicked. When God makes the earth quake, when you see lightning split the sky and hear the sound of thunder, you say, "Oh! God is powerful!" Yet instead of worshipping the God who created thunder, you begin to worship thunder. You will be punished!

When you live this way, you dishonour your body and even defile your name. They worshipped and served the creature rather than the Creator. You are going to change tonight. If you are wise, change.

God created man and woman and blessed them with sexual organs. He defined the setting for sexual relations and said, "Go! Multiply!" Now people, in their desires for one another, end up with men having relations with men and women with women. Afterwards, they ask, "How will we have children?" Then they create demonic methods to have children. It is sin! The wrath of God is revealed from heaven against all who twist God's will. What God created is good. A young man presented twins to us here. When you are in God's will, children come by the divine way. Do not use your wife like an animal. Do not use your husband like an animal. This brings the wages of sin.

One day, we were given a text to study. Its title was "the homosexual's pneumonia." It said that this illness could not be completely cured and left lasting effects. At that time, the HIV-AIDS virus had not yet been discovered. Later, it was discovered. I then understood that the text meant that this practice had brought real physical sufferings into their lives—sufferings that do not end. The Word of God is true. God gave them over. They receive in

their bodies the wages of the life they lead.

Envy, quarrels, deceit and vanity are your life. Your words are violent and your gestures threatening. You are not a normal man. After seeing God's revelation and contemplating Him in nature, you should stop stealing and live a normal life. Slanderers, gossipers, ungodly people, arrogant people, boasters, inventors of evil, disobedient to parents and without understanding—such are people! You cannot live this way and remain intelligent; it is impossible. You engage in theft, deceit, pride, banditry, drugs, smoking, masturbation and disloyalty. Your heart is hard and insensitive, without love. You are harsh, unable to forgive and filled with a spirit of revenge. You know that God does not love this. You know God's judgment, but it does not stop you. You continue on your course. God has said that those who commit such things deserve death. There are two kinds of death: physical death and eternal death. Both will reach you. Know that you are already spiritually dead, even though you are physically alive.

Some people encourage what is evil. They give money to women to have abortions and tell people that this is good. Some say that masturbation is a good thing, that you may masturbate. Some encourage men to take revenge; they tell them, "Do not let it go; complain, insult people. Go and take revenge! Do not forgive!" They do these things and encourage those who do them. They even congratulate them. If you have ever encouraged someone to do evil, it is not good.

> **Romans 3:23-26:** *"For all have sinned and fall short of the glory of God, being justified freely by His grace through the redemption that is in Christ Jesus. God presented Him as a propitiatory sacrifice through His blood, for those who believe, to demonstrate His righteousness, because in His forbearance He had left the sins committed beforehand unpunished. He did this to demonstrate His righteousness at the present time, so as to be just and the One who justifies those who have faith in Jesus."*

People have turned away from God, as we have just shown. You turned away from Him, abandoned Him and chose other gods.

There is no one on earth who has not committed sin. The Bible says that all have sinned and that God decided they would not see His glory. Because God is love, He loves people. Because He is our Father and Creator, He said, "I must save them. All have sinned and fall short of My glory, but I must save them."

When the evangelists sang, they told you that they were presenting Jesus to you, not a religion! The apostle Paul said, "It is Jesus Christ whom we preach!" I love this part of the Bible. I love explaining to a human being who Jesus is, because this is where human salvation will come from. God decided that although people are wicked and commit sin every day, the way would be opened for those who believe in Jesus Christ, and that Jesus would save them through the offering of His body and the blood He shed. By that blood, He justified all who believed. Tonight, He will justify those who believe. To justify means to declare righteous. If Jesus justifies you, it means that you owe nothing more; the things for which you were condemned have been erased! You will be justified.

We proclaim that God saves through the redemption that is in Jesus Christ. You will be saved through the redemption that is in Jesus Christ. Tonight, if you open your heart to receive Jesus of Nazareth, you will be saved; you will be redeemed. God will redeem you, snatch you from death and sin, and save you from eternal punishment.

It is Jesus Christ of Nazareth whom God chose to accomplish this redemption. It is neither a pastor nor a witch doctor; it is the Son of the living God, who said on the cross, "It is finished. Now the Gospel must be preached among the nations. He who believes and is baptized will be saved."

It is a work of God. We cannot close our eyes and commit further sins. We looked at the sun and worshipped it. Now we know who Jesus is. We must no longer play games; He is the One we must worship.

My friend, it is through Jesus that you will enter God's purposes. It is through Jesus Christ that you will lay hold of the divine promises. The Word of God declares that all God's promises are fulfilled in Him. In Him we say, "Amen!" He is the way, the truth and the life. He is the One the Father has sent to save all humanity. He is here; He is not far away in heaven. He said that where two or three are gathered in His name, He is in their midst. He is here and will receive the hearts and lives of all who give them to Him.

> **Acts 3:19-20:** *"Repent, then, and turn to God, so that your sins may be wiped out, that times of refreshing may come from the Lord, and that He may send the Messiah appointed for you—Jesus."*

What God expects from you now is that you repent and be converted. What does it mean to repent? It means acknowledging your sin, deciding not to commit it again and turning to God. What does it mean to be converted? Formerly, idols were your gods. Now that you receive Jesus, you choose the God whom you now want to worship; this is called conversion. You abandon the old gods to submit to the true God. Then people will say that you have been converted to God. If you leave your sins, they will say that you have repented before God. If you remain with the saints to serve God, they will say that you have consecrated yourself to God for His work.

Jesus said, "I stand at the door and knock. If anyone hears My voice and opens the door, I will come in to him." This is a call of love. Your response will bring you into total redemption. You may be religious, live in your sins, hide and say, "I do not want to stand up. I am baptized." You are not baptized; you were merely wet with water; someone poured a little water on you. The Word says, "Repent therefore and be converted." This is not a joke. Do not claim to know God; it will cost you dearly and add to your sins. If you were a thief and a liar, hypocrisy will be added. You will then be a thief, a liar and a hypocrite. If you say, "I will not humble myself here by standing up," you will have another sin: pride. You will have theft, lying and pride as well. But if you humble yourself, you will be lifted up. It is written that humility precedes glory. Whoever lowers himself will be raised by God. Stand up and answer God's call. Jesus says, "I stand at the door and knock." The door here is your heart. Jesus says, "I am outside. Open the door; I will come in." Jesus can continue without you, but you need Him to save you.

Spiritual Warfare Prayer

DEMONS FOLLOW AND CLAIM EVERY PERSON WHO HAS OBSERVED TRADITIONAL CUSTOMS

> **1 Corinthians 10:20-22:** *"What they sacrifice, they sacrifice to demons and not to God; and I do not want you to have fellowship with demons. You cannot drink the cup of the Lord and the cup of demons; you cannot partake of the Lord's table and the table of demons. Do we provoke the Lord to jealousy? Are we stronger than He?"*

The Word of God says that there are demons behind idolatry. You may have problems and wonder where they come from. Some say to the Lord, "Reveal to me where this comes from." The Lord had already said in His Word that when people approach idols, they approach demons. The Word of God does not change. Have you observed the customs? If you have, demons follow you and say that you belong to them. Even when you say that you have believed, they do not take it seriously and they attack you. They behave like Pharaoh

in Egypt. When the children of God said, "We want to leave," he increased their burdens. He said to himself, "They must not have time to think."

Paul says that when you offer sacrifices to a tree, you enter into fellowship with demons. The Word of God will not change. The witch doctor who tells you, "Go and pour this at the crossroads," knows that demons love crossroads. If you leave sacrifices at crossroads, they will follow you and say that you are their worshipper. When the fetish priest tells you, "Go and throw this into the lagoon or into latrines," he knows what he wants to bring about. One day, you will give off the smell of latrines and wonder where that smell comes from.

> **Deuteronomy 18:*10-14***: *"Let no one be found among you who causes his son or daughter to pass through the fire, who practises divination, astrology, the interpretation of omens, sorcery, or witchcraft, who casts spells, who consults spirits or tells fortunes, or who questions the dead. Everyone who does these things is detestable to the LORD; because of these abominations, the LORD your God is driving out these nations before you. You shall be blameless before the LORD your God. Those nations you will dispossess listen to astrologers and diviners; but as for you, the LORD your God has not permitted you to do so."*

You heard a young woman say that when the brethren prayed for her, she found herself in a room with a man lying on her bed. You were walking about, unaware that you had been married to a demon or to a spirit of the dead. Your soul was in Hades, imprisoned because of a demonic marriage. A woman told me that she had a spirit husband and had gone to consult a witch doctor. He told her that he would carry out the marriage with the spirit husband so that she could have peace. The Lord says that these things must not be found among you. Magicians and those who consult the dead must not be found among you. Spirits of the dead exist. Some dwell in human beings, but they will be cast out and driven away.

When a young woman or a young man is possessed by these spirit husbands or spirit wives, it is difficult to find a true husband or a true wife.

Let no enchanter, fortune-teller or diviner be found among you; they provoke God's anger. The apostle Paul says, "Do you want to provoke God to jealousy?" You must fear God.

Some demons have moved away to flee the battle, but tonight they will be buried. They will remain there in chains. The slaves will come out, and every member of your family will come out. Even if they have not yet believed, they will believe later, for we shall preach. When you pray for your family, the first level of answered prayer is that God gives you water and food, because sin comes with poverty. He heals you because of those who pray; even if you do not pray, you will be healed. Afterwards, He asks everyone to accept Jesus. This means that God can give you bread, but if you say that you do not want Jesus, God will not give you eternal life. Some people have cars but do not have eternal life. To have eternal life, the same condition is imposed on every human being; there is no favouritism.

We have reached the stage where God gives you weapons and says, "Go and fight; do not fear." This is how David became famous. It was not God who killed Goliath, but David. He was a young man who believed in God and whom God had blessed. He said to Goliath, "Today I will cut off your head and give your body to the birds of the air." He picked up five small stones, used his sling and struck Goliath on the forehead. Goliath fell, and his flesh was given to the birds, as David had said.

We have reached the stage where God has equipped us and says, "Go and fight!" In a vision, God gave a sister a sword to go and fight. She said to Him, "O Lord, I do not know how to do it!" The sword was long and heavy, and God told her, "Just stretch out your

hand." When she did so, the sword was in her hand, and she struck down the enemy, who was cut into pieces. When Jesus came to bind all the demons on earth, He told His disciples, "Go and cast out demons! Do not fear; I have given you My power."

Say:

- Jesus is Lord!

Begin to pray and say to God:

- Forgive my idolatry; forgive my father's idolatry and forgive my mother's idolatry. When they went to consult the witch doctor in order to marry, they did not know that they were selling their household to demons.

The household belongs to demons, and the children born in that household suffer. You may be intelligent, but you get nowhere. You may be handsome or beautiful, but nothing happens because demons have been introduced into the household. You fall sick and run to the witch doctor without knowing that you are saying to him, "Give me to Satan." He joined you to the devil. When people say, "We do not love the devil," you say the same. But the devil says to you, "You are mistaken; you have already been sold to me."

You are going to cry out to God; you will say to Him:

- Forgive my sin.
- If there is a demon somewhere in your life, let it leave and leave you in peace. Even if you gave money, say:

I am now mature. I know the way, I know the truth, and Jesus will enter my life.

We have reached a level of warfare that requires much humility. Some people come and remain tense; they resist. Before leaving, some demons cry out. Others throw their victims to the ground; others make them vomit, and as soon as you finish vomiting, they leave.

- If a demon wants to leave, let it leave, even if it must enter herds of cattle. We have reached the level where you must say to Satan: whether by vomiting, yawning or any other means, you must leave. Do not waste time. Begin to say:
- Forgive us, Lord! (Pray.)

Say:

- Lord, forgive the sacrifices offered to trees and watercourses! Forgive the sacrifices left at crossroads! Forgive the sacrifices made in lakes! Forgive the sacrifices made in the sea! (Continue praying.)
- O Father, forgive the sacrifices made in cemeteries! Forgive the sacrifices offered to the dead! Forgive the family money thrown into coffins! Forgive the money given to the dead, thinking that we were doing good! Forgive the sacrifices offered to pythons, reptiles, crocodiles, mask spirits, panther spirits and dragons! Forgive all these sacrifices!
- O Father, forgive the sacrifices offered to the dead! Forgive the money given to corpses! Forgive animal sacrifices, bird sacrifices and human sacrifices! O Father, let Your mercy come upon us!
- O Father, we have offended You! We have drawn death to ourselves! We have even worshipped death! We have honoured death! We have called upon the dead and

upon snakes! We fed them and housed them! We have drawn death to ourselves!

- O Father, let Your grace be upon us!
- O Father, forgive murders committed through acts of witchcraft! We ourselves have bewitched our brothers and our cousins—men and women alike!
- O Father, we have practised witchcraft in one way or another! We deserve punishment. We ask Your forgiveness!
- O Father, we worshipped twins! The children You gave us, we turned into gods and worshipped! (Continue praying.)
- O Father, deliver us from all the spirits that followed us, even if they are now hiding somewhere! Every spirit that followed us because of these practices is under judgment!
- Unclean spirits, leave my life and go away! You who came because of these acts of worship, go away! (Continue praying.)
- In the name of Jesus, if there is between you and me, wicked spirit, a tie of marriage or slavery, I cut it into pieces! I drive you out of my life, even if you dwell in the waters! Even if you dwell in rocks, I drive you out of my life! Even if you are under the mountains, I drive you out of my life! Even if you dwell under the roots of trees, I drive you out of my life! Even if you dwell in tree trunks, I drive you out of my life! Even if you occupy the tops of trees, I drive you out of my life! Even if you are in a cemetery or a grave, I drive you out of my life! I burn up everything you can use as a tie to remain in my life! I cut you into pieces! I drive you out.
- Wicked spirit, the Lord Jesus has given me authority to drive you out of my life. Wicked spirit, go away!
- In the name of Jesus, you who come from the waters, even if I do not know your name, I know that you come from the waters—go away! You are broken!
- In the name of Jesus, you who come from the air, we drive you out! We strike you! We throw you down! You who come from the abode of the dead, you are struck! Go away, for the abode of the dead is for the dead! Go away!
- In the name of Jesus, you who brought poverty into my life, go away! You who sustain cancer, go away! You who brought disease into my body, go away! You who bind me to singleness, I break your yoke—go away! Go away, in the name of Jesus!
- In the name of Jesus, we overthrow the walls and huts! We command the captives to come out! Captives, come out! Jesus sets you free!
- Even if you are hidden in the sea, we cut you into pieces! Go away quickly! In the name of Jesus, we break you and drive you out! In the name of Jesus, God's judgment strikes you! God's fire reaches you wherever you have gone! We strike every hiding place wherever you are. Whether among human beings or demons, under the earth, in the waters or in the air, we leave no place where the enemy can hide!

In the name of Jesus, I insist: you who followed me because of idolatry, I am done with idolatry—go away!

If someone practised witchcraft and the enemy resists because of it, ask God for forgiveness. Things will change.

If you ate meat in a dream, say:

- I break the tie of the meat I ate. I break the tie of the blood I drank!

Raise your hand and say:

- In the name of Jesus, we break every tie established through witchcraft practices—every tie still remaining from acts of witchcraft! We break every tie arising from witchcraft practices! We drive out every demon behind this idolatry! We break the ties of every such practice. We drive out every demon behind these practices! (Pray for the spirits to leave!)
- All spirits of the dead, all water spirits, mountain spirits, forest spirits, spirits of arid places and every unclean spirit, we drive you out in the name of Jesus. Go away and never return!
- You who call yourself the mermaid, we drive you out. Go away!
- In the name of Jesus, if someone suffers from an illness because their blood was drunk through witchcraft, we condemn that work and deliver them from that illness! (Let us pray in tongues.)
- In the name of Jesus, if witches turn themselves into insects to suck a person's blood and this makes the person sick, we snatch their life from the devil's hands!
- There is someone who must be delivered. The insect bite you received was not normal; it was pure witchcraft. Since that insect bit you, you have not been normal.
-
- In the name of Jesus, we judge that work and restore you to health!
- If you suddenly become afraid, it is a demon leaving.
- Let us pray in tongues.

In the name of Jesus, if someone was once very fervent and zealous, loved Jesus, preached and prayed, but the enemy came to attack them and their prayer life and fasting life were stolen: when they want to pray, it is difficult; when they want to read the Bible, it is difficult; when they want to fast, it is difficult. We strike their enemies and set their fasting life free! We strike the enemy and set their prayer life free! We strike their enemies and set their Bible-reading life free! We strike their enemies and set their Christian walk free!

Let us strike every adversity in which spirits oppose spiritual growth. Pray!

- In the name of Jesus, we judge spiritual adversity! We set spiritual progress free! We judge the spirits that attack spiritual progress, whether they come from hell, the abode of the dead, deserts or arid places, forests or savannahs. Go away! We strike you in the name of Jesus Christ. Go away!

We set growth free! We set fellowship with God free! We set fellowship with the brethren free! We strike the demons that keep some people in a state of backsliding!

Remain calm!

Say:

- We restore lives! We restore fellowship with God! We tear the veils! We deliver those whose visions were stolen!
- We restore everyone who once had true visions, prophetic dreams from God and revelatory reading: when they read the Bible, the Word penetrated them. Now they feel nothing! You are delivered! Let your enemies be put to shame! We tear the veil! I set your fellowship with God free! I set your fellowship with the Word of God free! I set your fellowship with the thoughts of God free!

- Demon, go away!
- In the name of Jesus, we rise up against the entire army of demons that come to introduce sexual immorality, quarrels, pride, anger and masturbation into people's lives. We drive you out. Go away, in the name of Jesus! (Continue praying.)
- In the name of Jesus, if there is a demon giving revelations—whether a spirit of divination, a serpent spirit or the spirit of a dead person—in order to seduce and deceive, we are against you. Now go away, in the name of Jesus Christ! (Let us pray in tongues.)
- In the name of Jesus, if anyone has been covered with the reproach of poverty and made poor beyond description—people think you have money while you suffer—it is the work of the wicked. You are intelligent, but reproach has made you foolish. The Lord delivers you and breaks this yoke. You will see the sun rise over your life!
- The Lord says, "I break your yoke and set you free from poverty!"

 We break reproach! We set the captives free! I break reproach! I deliver you in the name of Jesus of Nazareth! Let God's heaven open over you! (Continue praying.)

- The reproach of poverty is a work of wickedness and demons. We strike it and set the captives free! Captives, come out of this poverty!

We declare that everyone who suffers reproach is set free! Their enemies will be put to shame! Your enemies will see in your life what they did not want to see! We roll away reproach! We throw reproach into the abyss. We bless you, and we bless those who bless you!

Let us remain calm.

Some people must renew their covenant with Jesus. In your quietness, renew your consecration. What is happening to you is a work of witchcraft. Jesus is the only One who can break it, and He has done it. An army stood against you, and He has dealt with it!

- Satan, go away! Let every unclean spirit leave without resistance! Go away and never return!

Let us pray in tongues!

A sister dreamed that someone had snatched her Bible from her and thrust it into a pool of mud. As a result, she no longer read the Bible. It was difficult for her to read it even when she tried. I had given her a small book to read; she kept it for several months. Then I told her, "If you do not read it, do not come looking for me again!" She made herself finish it. Dreaming that your Bible, meditation notebook, school bag or notebook has been snatched away is not good. If this is your case, you must recover everything. God speaks through dreams. The devil also speaks through dreams. God gives true visions, and the enemy also gives visions to his children.

Say:

- I snatch back the bag that was stolen from me! I recover my belongings by the power of the Holy Spirit! (If your garment or car was snatched away, recover it.)
- We send the fire of God wherever the enemy has hidden it! Let the fire fight against him! Let my belongings return to me! Let my money return to me! Let my possessions return to me! Let my zeal return to me! (Let us pray in tongues.)
- In the name of Jesus, we come to the aid of every couple in which one spouse has dreamed that a snake or the spirit of a dead person is between them. If you ever

dreamed that you were with your spouse and a spirit or a man was between you, this is your deliverance tonight. We cut that enemy into pieces and roll away the pieces! We set that couple free!

- In the name of Jesus, if someone has relationship problems and finds contact with people always difficult, if they do not have the favour of people, you are delivered from every spirit that has defiled your face! In the name of Jesus, we drive out the spirit of death that follows you and steals the favour of people from you! In the name of Jesus, we drive out every spirit that follows you!

If you are a sister whose engagements always begin well, but always break down at a certain point, you are delivered! Next time, it will lead to marriage!

If you are a mother whose sons or daughters do not marry, stand up. We will join you in prayer. Let us first pray in tongues!

- We prepare the way! We break adversity! We wash faces! We wash countenances! We break every bewitchment! We set marriages free! If their spouses are in a bottle, we break the bottle! We deliver them from bewitchment! Let them come out of that prison to seek their wife or husband! (Let us pray in tongues.)

Lord, we prepare the way! We wash faces! We drive out shame! We establish the bonds for engagements and marriages, in the name of Jesus Christ!

If you have children who suffer from unemployment, stand up. We will join you in prayer to release their employment opportunities. Begin to pray in tongues!

- In the name of Jesus, we snatch back the CVs! We receive your CVs by the blood of Jesus! (Continue praying in tongues.)

In the name of Jesus, we remove spiritual dust from your files and place your application before the recruiters! We bless the recruiters with wisdom and the willingness to call, in the name of Jesus! We open the doors of employment, in the name of Jesus! Amen!
