Evangelistic Message

GOD DEEPLY DESIRES EVERY SINNER TO BECOME HIS CHILD

Jeremiah 3:19–25: *"I said: How shall I place you among My children and give you a pleasant land, an inheritance, the most beautiful heritage of the nations? I said: You will call Me, 'My Father!' and you will not turn away from Me. Yet as a woman is unfaithful to her husband, so you have been unfaithful to Me, O house of Israel," says the LORD. "A voice is heard on the high places—the weeping and supplications of the children of Israel—for they have perverted their way and forgotten the LORD their God. Return, you backsliding children, and I will forgive your unfaithfulness." "Here we are; we come to You, for You are the LORD our God. Truly, the noise from the hills and mountains is a lie; truly, the salvation of Israel is in the LORD our God. The idols have devoured the fruit of our fathers' labor from our youth—their sheep and oxen, their sons and daughters. We lie down in our shame, and our disgrace covers us, for we have sinned against the LORD our God—we and our fathers—from our youth until this day, and we have not obeyed the voice of the LORD our God."*

This passage of Holy Scriptures expresses God's love and compassion. In His infinite goodness, God shows man the way by which he may be saved. You may have only just arrived; perhaps you have never known this dimension of God. You are full of prejudices, believing that you already know enough about spiritual matters. You therefore judge God's works very wrongly. You prefer to move away from Him rather than draw near to Him to be blessed. Listen to the question God asks you: "What must I do to count you among My children?" God is seeking what He must do for you to recognize that He is your Creator and your Father.

Listen, dear friend: even if you are the only guest present, I am speaking to you. God wants you to become His child; His deepest desire is for every sinner to become His child. When you become His child, He gives you a land of delight; He blesses you, restores you, heals you, and gives you everything you could possibly imagine.

God asks: "What must I do for you to be among My children? For I want to give you a land of delights. I want to fill your life with blessings leading to eternal life." There is an inheritance attached to this call. God wants to be your Father. He wants you to become His child and desires you to call Him "My Father" in spirit and in truth. This means that He condemns the idolatry we practice. Yet you are like an untamable goat; instead of calling God our Father, we bow down before idols. Pay the price to become a child of God! Pay the price so that, beginning tonight, you may learn to call God "my Father." When we pray shortly and say, "O Father!", we will not be playing. Jesus said: "When you pray, say: Our Father in heaven." God wants you to call upon Him, delivered from false gods and false supports. He wants you to depend on Him. Let no human being deceive you: God is your Father. Do not merely say, "I will call Him, 'Father, Father.'" This ability comes from the heart after you have abandoned other gods. It is not a matter of worshiping idols and God, then saying, "Father! Father!" This is a call to true conversion. You have only one Father; burn the idols! You must tear up false covenants and be converted.

God says: "I said that he would call Me: my Father." You must do so in truth, no longer conforming to your present practices. In the past, you went to church and worshiped dragons, crocodiles, and pythons. Yet you say, "God is my Father." For God to be your Father, every sin that separates you from Him must be completely uprooted.

God says to Israel: "Your problem is unfaithfulness." You will notice that the Bible says that the true children of Israel are those who have faith. God wants you to stop serving idols and to abandon unfaithfulness.

When one chooses the path of sin and decides to walk without God, one experiences unimaginable suffering! You will notice that the children of Israel are in deep distress, weeping aloud. They want to return to their Father. They realize that they have been

deceived and seduced by sin, to no purpose. Every act of disobedience to God brings punishment, suffering, and negative consequences.

Then God says to them: “Do not remain far away, weeping in vain! Rise up, if you understand that you have been deceived and have discovered the lie of false gods. You went to the high places to worship idols and lost your way. You have returned empty-handed, starving, sick, and suffering. What are you doing there? Return, you rebellious children!”

Some people suffer and acknowledge that their suffering is the consequence of their separation from God. Yet they remain far from God and weep. You must come out of sin! When you are in that condition, seek your God; He will reveal Himself to you, and you will be forgiven. God has promised to forgive sins. If you are sick, it is the consequence of your sins. Yet God tells you: “Come back. I have been looking for you for a long time! I want you to be among My children! Return, you who weep in the darkness, you who groan under the oppression of your sins and their severe consequences! Do not commit suicide. It is not necessary! Just return! Leave that place and return; I will forgive you!” God is speaking to you, and He will deliver you.

After discovering the truth, they proclaim that it is God—the true God. The devil had deceived them. They spent years far from God, suffering. Before everyone, they openly acknowledge that sin and idolatry are futile. They say: “The noise coming from the mountains is false; it is a lie. Let us return to our Father. Let us abandon evil paths. There is nothing there—only punishment and the lake of fire. Let us change and return to our God!” This is what God asks of every sinner. Witch doctors and diviners are liars! There is no hope in idolatry. If you die in it, you will go to the lake of fire; there is no hope or inheritance.

My friend, your salvation is in the LORD our God. Let no one deceive you. It is the eternal Lord, the God of hosts, who so loved the world that He gave His only Son, so that if you believe in Him, you will not perish. He is the One who speaks the truth. He loved the world so much that He sent Jesus so that you may be saved. Dear friend, you must have discernment to weigh and measure what the devil has done to you. He has given you nothing but lies!

One day, a young man asked me, “Why does Satan respond to requests so quickly?” I replied, “Tell me one thing you asked Satan for that he gave you.” He had no answer! On the contrary, Satan is a thief. Where have our parents’ sheep and wealth gone? Our fathers worked, and the idols devoured everything. The agents of the devil told them: “Bring this! Bring a sheep, a chicken, three oxen!”—and I do not know how many crocodiles. Idols are thieves. Come out of idolatry! Tonight, come and give your life to Jesus!

Not only have idols given you nothing, but they have swallowed up the fruit of our fathers’ labor. Ask yourself who put the family’s possessions into the bellies of pythons. A child goes to kindergarten and is told, “Take the python and carry it with you.” Later, when he obtains his primary-school certificate, the python takes it and swallows it. He obtains his junior-secondary certificate, and the python swallows that too. These are not fables but realities.

What does a python do with people’s bags? Some discover that their diplomas have disappeared; for others, it is shoes or clothes. Pythons have no feet to wear shoes, yet they swallow them and you suffer. One wonders what they will do with the possessions they swallow. You need them, yet they swallow them; then you suffer from the lack. Idols impoverish those who worship them and their entire families. You may find thousands of barren women in one village. If you investigate, you will find that all the worship of pythons has stolen their babies. Idols have impoverished our families.

If you are a friend who has been invited for the first time, I am telling you this: if you remain in the world, you will never become better, because idols and false gods will steal everything from you, and you will always remain in misery.

For salvation to take place in a person's life, he must be able to value God's work in the world. When I was in high school, I consulted a witch doctor. He told me, "Give me money." I replied that I had only 5,000 francs. He asked me to hand it over to him. I thought witch doctors were kind and that, if I told him I had only 5,000 francs, he would let me keep it because I was only a student. How mistaken I was! He took my money!

Even if you have never been to your village and you live in the city, you can discern that idols are impoverishing your parents. To understand the deception of idols, call them what they are: false gods, false evangelists, false prophets, and witch doctors. False gods even demand child sacrifices so that parents may become rich. Then people sacrifice their children, and poverty, ruin, and the judgments of God come upon them. Man thinks he is free; in reality, he is not.

The Bible says in Isaiah 26:9 that when God carries out His judgments on the earth, the inhabitants of the world learn righteousness.

God punishes idolatry. He calls you to repentance. We had gone to minister in Bouaké. During the meeting, a woman came to me and said, "Here." It was a cord that a witch doctor had told her never to remove, but the power of the Holy Spirit had worked. She removed it without anyone asking her to do so. You must abandon idols and false gods in order to answer the call of the true God. Then you will be among His children. He will give you the inheritance, and you will be blessed.

We come to God with words of repentance. There are words that must be spoken when we come to God. The sinner who wants to return to God must be right before God. He must show that God is good and man is evil: "We and our fathers have sinned."

Do you want to become a child of God and separate yourself from cigarettes, as God asks you to do? Will you agree to separate yourself from koutoukou (adulterated traditional liquor), adultery, quarrels, hatred, jealousy, grudges, and unforgiveness, as the Lord asks you to do? If you agree, you will be blessed.

> **Hosea 4:17:** *"Ephraim is joined to idols; let him alone!"*

When you suffer and call upon God for help, He comes and asks you to choose between Him, idols, and sin. When you want to give your life to Jesus, He asks you to abandon the false gods that occupy His place in your life. If you agree to do so, He accepts you and washes you. He comes into your life to show His goodness. If you are sick, He heals you. If you have blockages, He delivers you from them, and your life becomes a life of rest. But if you refuse to leave your sins, He tells His angels not to deliver you because you love your sins.

The Lord commands the angels to deliver all those who love Him and to leave, with their problems, all those who refuse to abandon their sins. Do everything possible so that God never commands His angels to leave you because you are attached to idols. That is a great judgment of God upon you. Agree to return to God by abandoning your deeds; agree to abandon your idols. Otherwise, God will leave you. Some people do not know that God can leave them to their idolatry.

> **Revelation 22:11:** *"He who is unjust, let him be unjust still; he who is defiled, let him be defiled still; he who is righteous, let him continue to do righteousness; and he who is holy, let him continue to be holy."*

When God comes, if you love your sins, He does not argue with you. He gives you over to your sins, and punishment follows. If you want to continue drinking alcohol, He tells you: "Go ahead—take even barrels of alcohol. Put your mouth under the brewery tap so that beer may flow into it. Do you want to drink alcohol? Go and drink it." But He commands the one who is pure to become purer still.

Do you want to go and drink alcohol? Go ahead. One day you will weep, and no one will care about you. It is better to give your life to Jesus by accepting His conditions. If you want to give your life to Jesus, raise your hand and come here.

Spiritual Warfare Prayer

A NORMAL CHILD OF GOD MUST PRAY FOR THE SALVATION OF HIS FAMILY

Romans 9:1–5: *"I speak the truth in Christ; I do not lie, my conscience bearing me witness through the Holy Spirit: I have great sorrow and continual anguish in my heart. For I could wish that I myself were accursed and separated from Christ for the sake of my brothers, my kinsmen according to the flesh, who are Israelites. To them belong the adoption, the glory, the covenants, the law, the worship, the promises, and the patriarchs; and from them, according to the flesh, came the Christ, who is over all, God blessed forever. Amen."*

Romans 10:1–3: *"Brothers, my heart's desire and prayer to God for them is that they may be saved. I bear them witness that they have zeal for God, but not according to knowledge. For, not knowing the righteousness of God and seeking to establish their own righteousness, they have not submitted themselves to the righteousness of God."*

Paul prayed for the salvation of his family. A normal child of God must do the same. Even if they are sorcerers, they must be delivered. Paul says that he has sorrow in his heart. You must be touched by the reality that your relatives belong to the enemy's camp, the camp of witches, and that, when we fight, the devil uses your brothers and sisters to fight against us. Your relatives belong to the devil's camp; they have not abandoned idols.

Say to God:

- O God, save them! Lord, they burn incense and sacrifice to demons! They keep snakes and worship them! They keep crocodiles and worship them! Chickens and sheep are slaughtered in the worship of demons! O Father, they love quarrels and violence! They continue to be initiated into witchcraft! They boast in evil! Even those who have believed are deeply religious! They do not seek You! They have not even abandoned idols! (Continue praying.)
- O Father, they are slaves to immorality! O Father, they are slaves to incest! The curse of incest reigns in the family! O Father, they are full of diseases! There are all kinds of diseases, and we suffer!
- Have mercy on us; have mercy on us!

O Father, send Your word into our families, for it is written: "He sent His word and healed them!" O Father, send Your word! Send Your word! (Continue praying. Pray fervently.)

Pray fervently. Say:

- O Father, we are being destroyed by witchcraft; the village is empty. Villages are becoming forests because the inhabitants are dying. Have mercy on us, hear us, and send salvation, send deliverance, send healing! O Father, send salvation, send deliverance, send healing.
- O Father, may the captives be set free, may chains be broken, and may salvation multiply.
- O Father, may the prisons in which they are held be broken! May they come out of slavery!
- O Father, deliver those who have already been programmed for death.
- O Father, may those imprisoned in the waters be set free! May the prisons be shattered and broken! May salvation be manifested!
- O Father, deliver them from false workers!
- O Father, send Your disciples into our families, our villages, and our cities.

O Father, accompany them with signs, miracles, deliverances, and healings. O Father,

accompany them.

God can give you a prophetic vision; He can show you the gates of your village opening. He can show you snakes crushed and split open. He can show you disciples entering your village and being warmly received. He can show you a large snake fleeing from your village and disappearing.

At this stage of the battle, do not skim over the prayer. Many demons have hidden themselves; they flee spiritually beneath rocks. The resistance must be broken.

- A sister said that, in a vision, she had seen all her diplomas under a large stone. From that time on, her life had become difficult.
- Tonight, with one accord, we pray that calamity may reach the enemy wherever he has gone to hide. May he be struck there!

If he has gone up a mountain, we bring him down and strike his head against the ground. If he has gone into the water, may the water dry up!

They cannot flee and hide after destroying lives. They must be judged by the Church, for the Son of God appeared to destroy the works of the devil. Jesus said: "As the Father has sent Me, I also send you." You must not tremble; Jesus said that He has given us authority to tread on snakes, scorpions, and all the power of the enemy, and nothing shall harm us.

Wherever the enemy has said, "I am withdrawing for a while, but I will return" (in her testimony, a sister said that the spirit told her it was leaving in order to return), we must strike it. We may judge demons and observe calm; no! They have only hidden themselves, and after some time they will return to see whether the house is still empty. We will strike them so that they do not return to check the condition of the house.

Say:

- Lord, bring into existence every fruit of the answers to prayer from this crusade, from the beginning until today.

You know that the prince of Persia struggled with the angel who had come to speak to Daniel. When God releases blessings, they must come down to you. There is a sister who received new skin from heaven. Heaven must not be closed. Imagine that, on that day, a demon had blocked the way for the sister's skin.

Say:

- In the name of Jesus of Nazareth, we release the heavens above us! We overthrow every principality that has stood in the way of the answers to prayer! Every evil spirit that has risen up to hinder the answers to prayer, let it be struck and judged! May the heaven of God be opened above us! May everything God has sent us reach us, in the name of Jesus!
- In the name of Jesus, we judge every power on earth that opposes the fulfillment of blessings for us! We judge every power in the waters! We judge every power under the waters that opposes the fulfillment of our blessings! We break every opposition in the mountains that rises against the fulfillment of the blessings of God's people!

Let jobs come into existence! Let money come into existence! Let births come into existence! Let everything God has released come into existence!

Stand up and say:

- In the name of Jesus, with one accord, we crush opposition! We open every door that has been shut! We break every barrier set before us to block our way! We destroy every stronghold where the enemies have gone to hide, even if they have been swallowed by several spirits. Let fire come down upon them! Let every blessing

God has given be released: genuine blessings of healing from HIV, healings from cancer, and healings from diabetes! We crush every resistance in the waters! We crush every resistance on the waters! We crush every resistance in the forests! We crush every resistance in the trees! We break every resistance in tree trunks! Let every resistance be crushed, in the name of Jesus! Let the rocks be rolled away and split open! Wherever they have gone to hide, we strike them among the dead! We strike them in the abode of the dead! We strike them under the waters! We strike them in places lower than the waters! We strike them among living human beings!

In the name of Jesus, if someone has sat on a brother's file, we lift him up, cast him aside, take the brother's file out, bring it back into the normal process, and bless everyone who must sign it!

Lately, there have been many battles in which we have observed that spirit husbands are attached to their victims. When you say, "Come out!", they do not feel concerned. You are going to pray. If a spirit has attached itself to a person as though they were one flesh, tear it off and throw it to the ground.

Say:

- I separate you from my body forever! I tear you out of my soul forever! I tear you out and throw you into the dust! You are not a husband; you are a demon. Go away!
- Spirit husband or spirit wife, we tear you away and throw you into the dust! We separate you from every person to whom you have attached yourself! Evil spirit, come out and go away!

Yesterday, we prayed against the incarnation of parents in their children. We are going to pray against the incarnation of spirit husbands in their victims.

Say:

- In the name of Jesus, spirit husband, you who have entered a body, come out and go away!
- In the name of Jesus, we rise against every resisting spirit husband because he has children with the victim.
- If you have ever dreamed that you had children with a spirit husband, today is the day of your deliverance.
- In the name of Jesus, I proclaim that the bond because of the children is broken!
- We are going to deliver every man whose spirit wife is his mother, and every woman whose spirit husband is her father.
- In the name of Jesus, we deliver every man or woman whose spirit wife or spirit husband is his or her mother or father. We destroy everything upon which this possession is founded!

We are going to intercede for childbirth to be released. The battle to have children is real.

Stretch out your hand and say:

O LORD, release childbirth; open the womb of every sister. Bless the womb of every sister! Heal premature menopause! Bless! Heal! Wherever there is disorder in the cycle, let it be corrected! Wherever menstruation has stopped prematurely, let everything be restored! (Let us pray in tongues.)

Lay your hands on your head and say:

- In the name of Jesus, let no demon follow me or wait for me at home or in my car! We immerse every brother and sister in the blood of Jesus, and we build a wall of protection around each one!
